

Sometimes you have feelings which
you just can't control

that come from the very deepest
part of your soul

There's no
feelings
in this
WORLD

like the
feelings
you FELT

when she tied
your naked ass
to her bed

and whipped
it RAW with
her belt!

And when she
FINALLY was
finished

making your
ass weltd
and RED,

it came from
the DEPTHS of
your SOUL

"When You Meekly Said"

I love you
Mistress!

And
that was
the END
of your
OLD life
and the
beginning
of a
NEW one!

a WONDERFUL
new one!

Huh?

**Yes
Mistress!**
