

Once upon a time a strict Mistress  
owned a submissive man

who let him cum only ONE way on  
his KNEES

using his OWN fucking hand!

till one day when he BEGGED her  
with tearfully passionate PLEAS

"Please let me cum ANOTHER way  
Mistress Louise?

So she  
thought  
for a  
while

and  
said  
"slave  
I agree!"

dreamstime that IS  
getting  
boring and  
no longer  
gives any  
pleasure  
to ME!

dreamstime

But THIS  
will make  
me HAPPY!  
Oh my GOD  
Yes siree!

Go lay  
on your  
back on  
my bed  
I'll be  
in there  
shortly!"

and  
she  
watched  
him in  
BLISS as  
he was  
walking  
away

and  
when she  
got to the  
bedroom

**"She Had THIS To Say!"**

You have my permission to  
squirt ALL your cum IN it!

The only catch is I'm  
giving you alot LESS  
than one minute!

And if that's NOT enough  
time and you don't get  
the release that you SEEK

you'll go without cumming  
for ANOTHER whole week!

And I'll LOVE watching  
you suffer! Oooooh YES  
slave, and HOW!

So try and CUM for me  
slave, your fifteen  
seconds start NOW!

**YES  
MISTRESS!**

And  
I don't  
know  
**EXACTLY**  
what  
happened

but  
I'm **QUITE**  
sure it's  
**THIS,**

she's  
watching  
him suffer  
ALL week  
and living  
in BLISS!

ISN'T  
she  
Honey?

Yes  
Mistress  
Chris!

Ooooooh  
YES my  
Dear, she  
certainly  
IS!
