

Here is a very short story for you

but though it is short it surely is true

"Mistress?"

"Please don't  
make me follow  
you upstairs  
for a whipping,  
Mistress?"

"PLEASE  
Mistress?"

**"Please Don't Make Me?"**

I'M not  
making YOU  
do anything!

YOU'RE the one  
who knelt naked  
at MY feet and  
not only begged  
ME to make you  
my SLAVE,

but ALSO to  
teach you  
to obey me,

in every way  
that I wanted  
you to obey  
me,

and to PUNISH  
you if you  
DIDN'T!

So it's  
YOU who's  
making ME  
do this!

And that,  
SLAVE, is  
the END  
of this  
discussion!

Now get  
your ass  
UP here!

**"Yes  
Mistress!"**

NOW,  
slave!

"YES  
MISTRESS!"
