

The thing's called a "Humbler"  
because what it does

is takes what were YOUR balls  
and now makes them HERS

My name is  
now SLAVE,  
it USED to  
be John, until  
the night my  
Girlfriend  
seduced me into  
letting her

**"Put THIS Thing On!"**

And after  
a night of  
licking her  
to orgasm after  
orgasm, which  
seemed to go on  
FOREVER, I asked  
"When may I  
cum?"  
and she sternly  
said "NEVER!"

And now you may TRY  
to stand UP and take  
that LONG walk back  
home John,

but I doubt if you  
CAN because that  
thing's STAYING on!

And I don't care if  
you don't LIKE it but I  
have the KEY, and THIS  
is how things are  
GOING to be!

So I think you should  
put the idea of  
LEAVING back on the  
shelf

because there's NO way  
you can take that  
thing OFF by yourself!

And i knelt  
there and  
I BEGGED  
her

PLEASE TAKE IT  
OFF? OH GOD  
PLEASE LOUISE?

but I was  
sternly  
told

NO! And from now on  
your name's "slave  
and you'll STAY on  
your knees,

serving and obeying  
me and addressing me  
as "MISTRES" Louise!

And now I  
please her  
EVERY day with  
my tongue and  
my mouth,  
and I BEG

A woman with dark hair, wearing a white polo shirt and dark pants, is seated in a green armchair. She is looking down at a small electronic device held in her hands. In the foreground, the back and legs of a person are visible, lying on a light-colored carpet. A black strap with a circular pad is attached to the person's right thigh. The background includes a wooden dresser, a pile of white laundry, and a red curtain.

Oh God PLEASE Mistress  
Louise? PLEASE let  
me out?

And I tell him NO!  
Now go clean the kitchen  
and wash the guest  
bathroom floor

then crawl your ass  
BACK here and  
pleasure me MORE!

And all I  
can DO cause  
she's now the  
OWNER of these  
is meekly reply,

Yes  
Mistress  
Louise!

And she's  
living VERY  
happily ever  
after!
