

"You submissive guys say you want a
Woman who'll rule you as your Queen

a strict Woman who's really into the
domestic discipline scene"

A Woman who
takes control
RIGHT away,
and sternly says
"You are MINE!"

a Woman
you've
fantasized
about

"For A VERY Long Time!"

So tell me
the TRUTH,
IF you really
DID get to
date her,

if as soon
as the date
started
would you
LOVE her or
HATE her

if she
did THIS
RIGHT away

and said

I'M going
SHOPPING!
I'll see
YOUR ass
LATER!

Well
I'm SURE
that you'd
SCREAM

OH GOD NO
MISTRESS!

THEN,
you'll PRAY
and you'll
PRAY that
you get to
see her
AGAIN!

And
REALLY
soon,
Huh?

OH GOD YES
MISTRESS GWEN!

YEAH!
So I guess
the decision
if it's LOVE
or it's HATE,
will depend on
how long she
makes your ass
WAIT!

WON'T
it?
