

I doubt if they ask THIS on
those dating websites

to help someone find an ideal
husband or wife

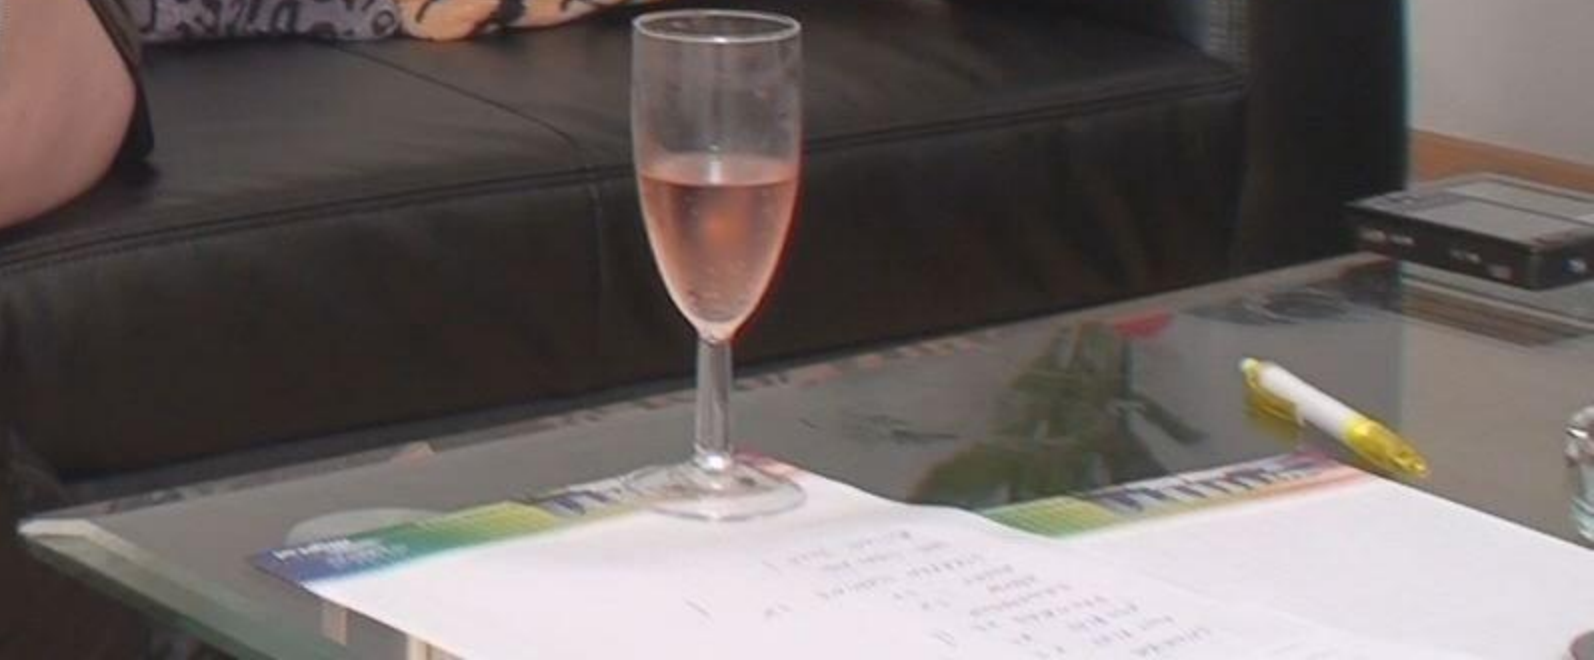

So I'll posit this story as
something you can do

to find the man or the Woman who
IS right for YOU!

God, I just
HAVE to ask,
what with
the way that
you're dressed

and the
way that
you're
THERE,
would you
LIKE to
confess

the answer
to a
question
that to me
was FAST
coming,

what
exactly
IS

"Your Kind Of Woman?"

"You're MY kind
of woman if you
think an ideal
mate,

should be
locked up
in THIS

on your very
first date,

before he serves
you your dinner,

all formal
and neat,

and then he lets
YOU enjoy it

while HE kisses your FEET!

Then instead of
taking you
dancing,
what you'd
RATHER
he do,

is
count

"Oh God
Mistress!
ONE!"

"Oh God
Mistress!
TWO!"

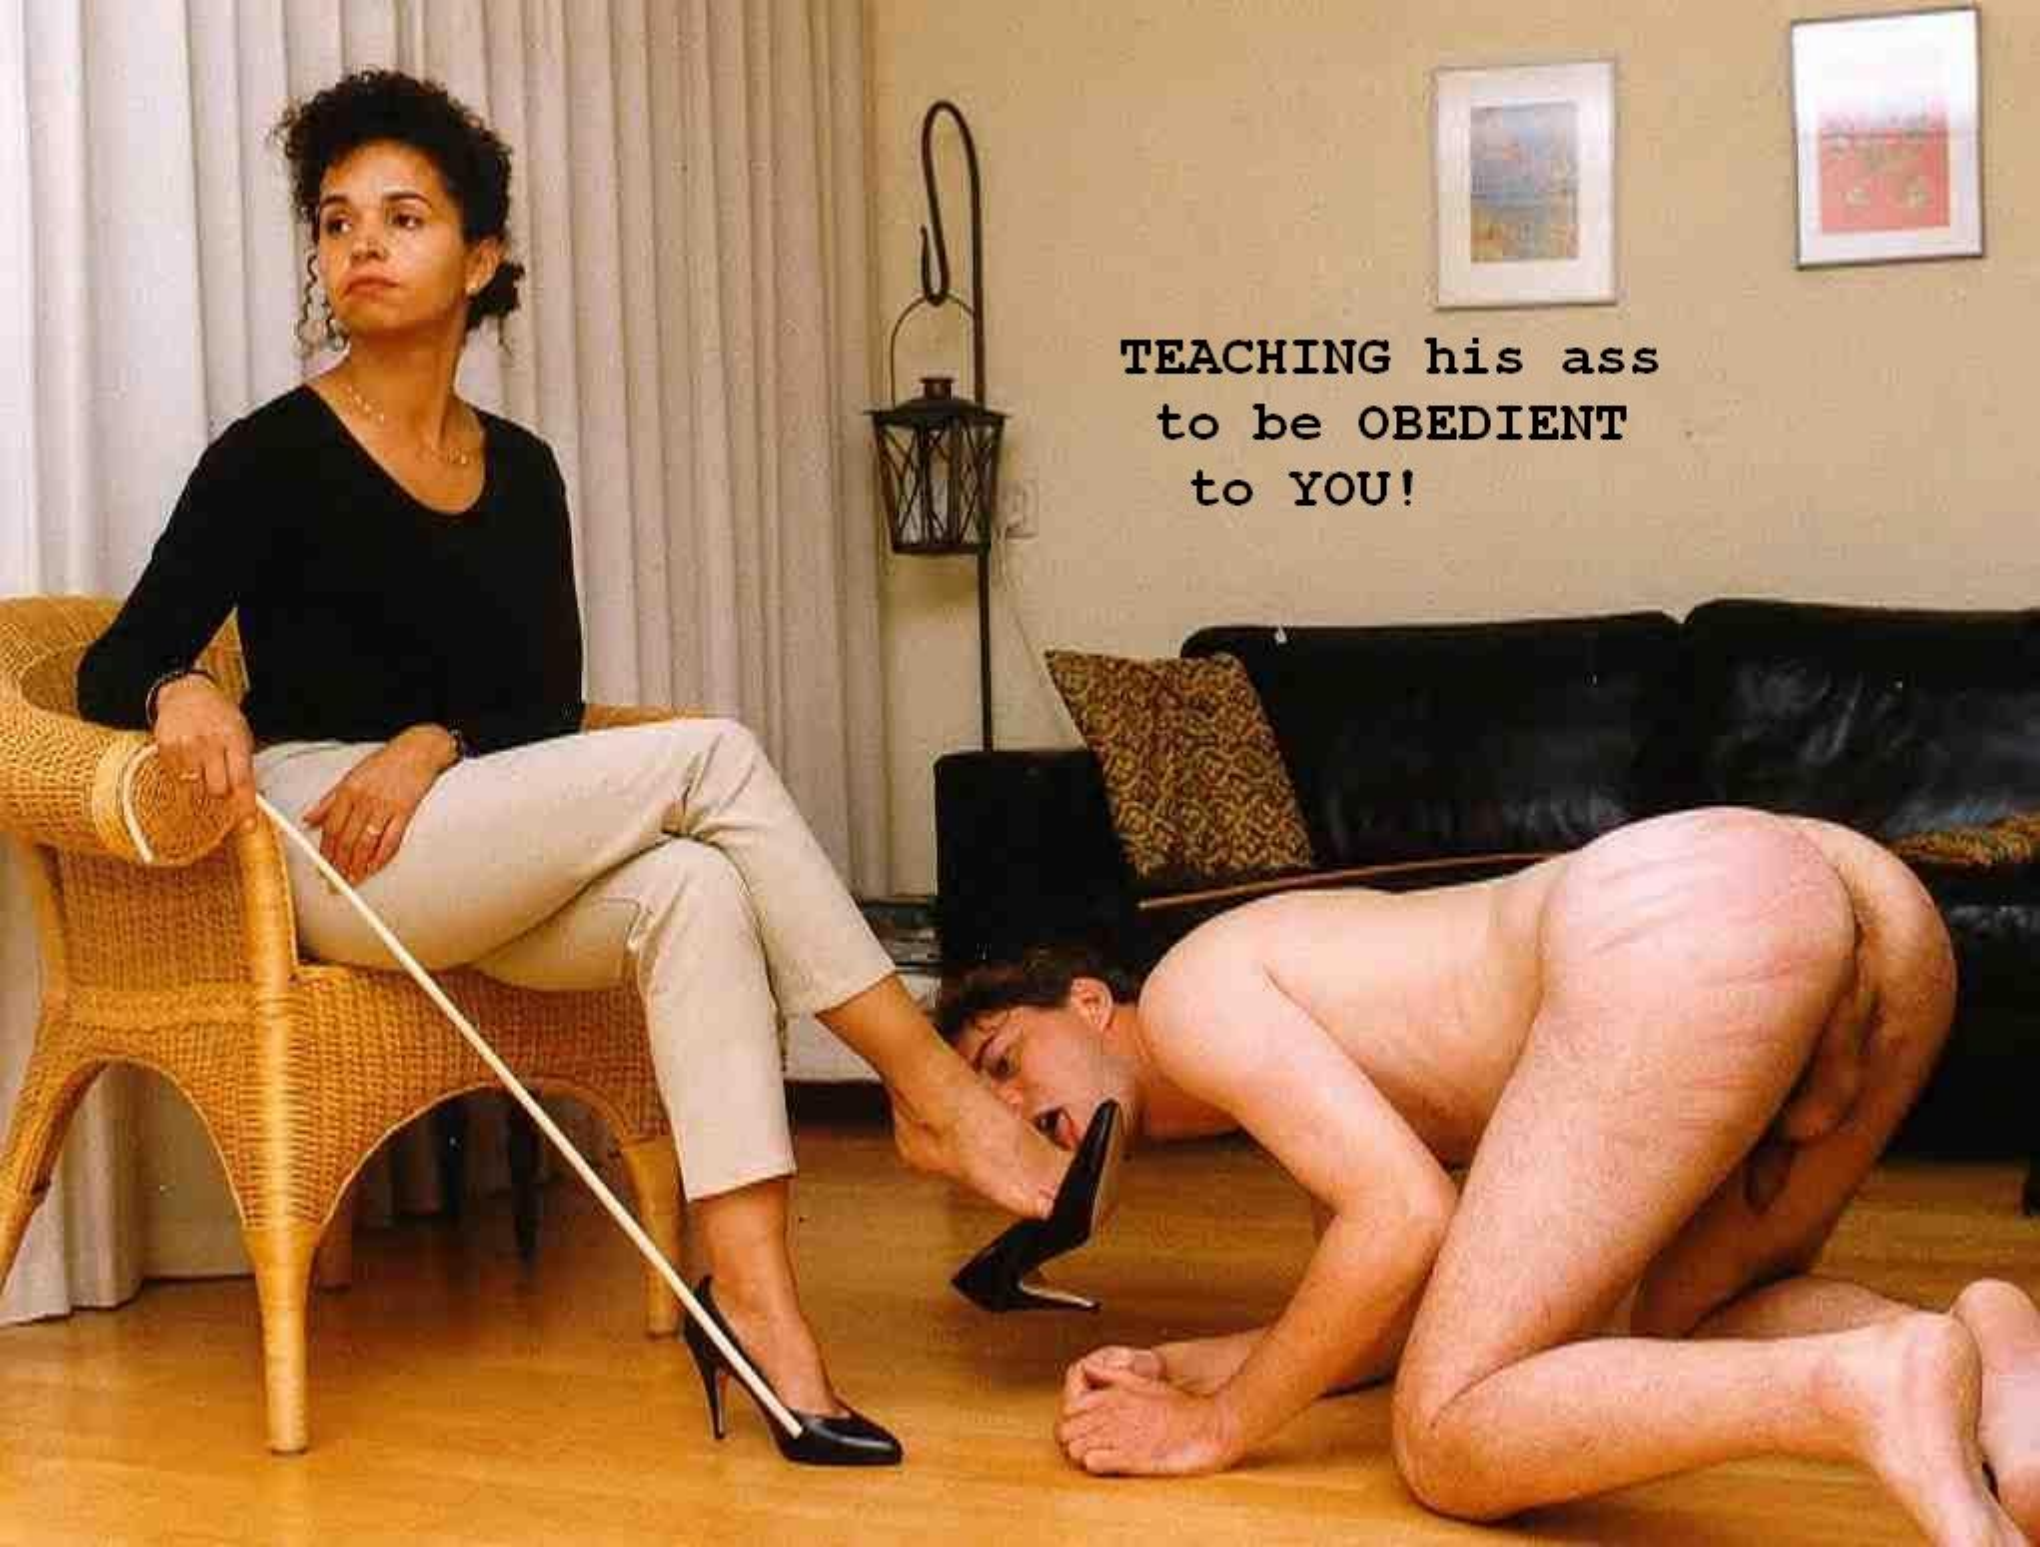

Up to
"Oh God
Mistress!
FIFTY!"

when you're
FINALLY through,

TEACHING his ass
to be OBEDIENT
to YOU!

And she'll make
HIM clean her
bathroom

with
buckets
and pails,

and then do
the IRONING

before
HE does
her
nails!

A woman,
when he's
finished,
doing ALL the
housework,

will make
his ass
BEG her

to let him
have some
DESSERT!

"Does that answer
your question,
and quiet your
fears

about why I'm
kneeling **NAKED**,
in front of
you here?"

The End

You forgot
to address
me as
"MISTRESS",
and Oh Yes
you will
LEARN

the PROPER
way to
address me
or I'll
make your
ass BURN!

And since
I'm YOUR
kind of
woman,
I can NOW
have the
gall

to say
Go clean my
house slave
or I'll cut
off your
BALLS!

"Yes
Mistress!"

And that
smile on
your face?
I'm gonna
inform you,

you better
wipe it
OFF slave,
or I'LL
wipe
it off
FOR you!

"YES
MISTRESS! "
