

"OK! I've got you dressed how I WANT
you and on your knees for me John

so now I'll pour myself a glass of
wine and then I'll turn that
thing on!"

This is a short and SWEET story
about a dominant Woman who from
NOW on will be PROPERLY adressed
as "MISTRESS" Pat

and her submissive newly
enslaved submissive
husband to whom she's
STERNLY saying

"Let's DRINK To That!"

Congratulations!
FINALLY after a
YEAR of me
denying you ANY
sexual release
at ALL, you've
agreed to be my
personal MAID
and serve my
EVERY need
EVERY day!

Let's lift up our
glasses and DRINK
to that to
CONSUMMATE this
wonderful new
relationship
which we will
be BLISSFULLY
sharing for the
REST of our
lives together!

I have
MY drink!
Are you
finished
making YOUR
drink Honey?

YES MISTRESS!

GOOD!
Now DRINK, and
drink ALL of it
Honey!

YES MISTRESS!

And when HE was ALL finished drinking she sipped her wine in orgasmic BLISS as he THANKED her, ALOT more than SOME, with his mouth between her legs for FINALLY letting him cum!

And GOD did she
live happily
ever after!

DIDN'T
she?
