

I'm SURE it's humiliating and it
hurts something bad

but I TOLD you that asking for
it would just make me mad

Yes I told you as my new slave
when we had our first CHAT

it's a privilege to be EARNED

you do not ASK for that!

Don't be
ashamed!

I'M
not!

TELL them
why you're
locked in
a cock
cage!

TELL them
why your
balls are
hurting
so badly!

**TELL
them!**

God Damn
it! I told
you to DO
something!

Now DO it
or you go
BACK on
my bed,

and I do
it AGAIN!

**YES
MISTRESS!**

Last night, when
Mistress was ready
to go to sleep,

I BEGGED her to
allow me to make
myself come on
my knees for
her!

And what
did I
TELL you?

Mistress told me
to lay on her bed
with my legs open
wide, and then

"She Said NO!"

And I
LEARNED!

God! You
better
HOPE
you did!

Tell them
WHAT you
have so
HOPEFULLY
learned!

I learned that if my
Mistress WANTS me to
make myself come
on my knees
for her,

she will TELL me to
make myself come on
my knees for her!

And you will
hold EVERY
drop of your
come for me
until I DO!

Now go get
my bath
started!

YES
MISTRESS!

Ooooooh,
YES!

He IS
learning!

AND MAKE
THE WATER
A LITTLE
HOTTER
THIS
TIME!

YES
MISTRESS

Oh
YES!

He IS!
