

Let's read a short story  
about the reality  
a Female led relationship  
happens to BE!

This story  
is short  
but this  
story is  
**TRUE**

and it  
should  
provide  
YOU  
a sense  
OF  
deja vu,

because  
if you  
ever **HAVE**  
served  
a dominant  
wife or  
girlfriend

then you  
most  
certainly  
KNOW  
how THIS  
story will

**"End"**

Did you  
clean the  
kitchen?

"Yes Mistress,  
I washed and  
dried the dishes  
and put everything  
away and then I  
washed and waxed  
the floor!"

Is all the  
dusting  
done?

"Yes Mistress,  
I dusted and  
polished all the  
furniture in all  
the rooms except  
for in here  
because you were  
working in here  
Mistress!"

That's OK,  
you can  
clean in  
HERE  
later!

You can  
go get my  
shower  
ready,

then after my  
shower you  
can brush  
my hair  
and do  
my nails  
for me!

"Yes  
Mistress!"

"Mistress?"

What?

"May I make myself come for you after I'm all finished serving you tonight, Mistress?"

No, I don't  
have to  
ASK you  
if I was  
RIGHT

cause  
you've  
LIVED out  
the ending

on MANY  
a night!

Haven't  
you?
