

There's diaphragms and IUD's

and pills to put between your
knees

but be advised there's things like THIS

when your name's "slave" and she's
"Mistress"

The following
is a
public
service
annoucement
by Karen
Wynegard
of Femdom
news

and it is
meant to
be viewed
by dominant
women of
ALL ages,

AND
their
slaves!

It's about
Birth
Control,

ISN'T
it
Honey?

**YES
MISTRESS!"**

"FDTV 3"
**A Public Service
Announcement**

Girls, today we are
going to talk about
a VERY serious
subject,

Birth
control!

I don't think that you
want to get pregnant
and have a baby
popping out of you
because some ass
hole male came
inside of you,

DO
you?

I didn't
think so!

For normal women
there's the pill,
the diaphragm,
IUD's, etc.

But for us
DOMINANT women,
there are other
methods of birth
control.

And they ALL
involve the
MALE!

This feels
SOOOOO
fucking
good

and you
want him
to do
this for
HOURS!

DON'T you,
Girls?

But you
can't REALLY
enjoy it

because
you're
afraid
he'll come
INSIDE of
you!

So the FIRST method
of birth control
available to the
dominant woman is
"Come Training"
the male!

Show them
Linda!

It's
EASY
girls!

Just make
your male
lay on your
bed naked,
heck, he's
SUPPOSED
to be
naked for
you at all
times
ANYWAY,

and have
him open
his legs
as wide as
he can for
you!

Now you just
grab his cock
and start
jerking him
off!

And you FORBID
him to come
unless YOU
give him
permission
to!

and when he DOES
come, and he
WILL,

all OVER your
HAND,

you
FEED him
his mess

and then you
PUNISH him

A photograph showing a woman with long blonde hair, wearing a thin necklace and a small tattoo on her left chest, leaning over another person. She is holding a large, black, flat paddle and is in the process of striking the person's buttocks. The person being spanked is lying on their back on a red patterned bedsheet. The background shows a room with a wooden chair and a white door. The text "WITHOUT mercy" is overlaid on the image.

**WITHOUT
mercy**

until he
learns
to NEVER
come

A photograph showing a woman with long brown hair, wearing a thin necklace and a small tattoo on her left breast, leaning over another person. She is holding a black paddle and applying it to the back of the person lying on a red patterned bedsheet. The person being spanked has a large, bright red mark on their back. The scene is set in a room with a white door and a wooden chair in the background.

without
YOUR
permission

**EVER
again!**

NOW you can
make him
pleasure
you like
this

for
HOURS
and
HOURS

and YOU
can have
ORGASM
after
ORGASM

without
having to
worry
about HIM
coming!

Back to
YOU,
Karen!

Thank You Linda.
I would suggest that
ALL of you start
"Come Training"
your males TODAY!

Another form of birth control available to the dominant woman is "Alternative Sex", or simply not using his useless cock at ALL!

Teach your male
to please you

like THIS

or like
THIS!

And of
COURSE
there's
always

THIS

or
THIS!

ISN'T
there,
guys?

YEAH! And that
makes you VERY
thankful to her

when she
allows you
to FINALLY
come at the
end of the
week,

or MONTH
or YEAR,
by doing

THIS,

DOESN'T
it, guys?

Ooooooh YES! That
IS a MUCH more
plesurable form of
birth control for
YOU, isn't it
guys?

**YES
MISTRESS ! "**

YES!
And that
concludes this
public service
announcement!

You can
turn the
TV off
now,
Honey!

And then
you can get
back on
your knees
for me!

**YES
MISTRESS ! "**

Good boy!
Now jerk
off for
me

And don't
you DARE
come until
I TELL
you to!

**YES
MISTRESS ! "**

OH GOD
THANK YOU
MISTRESS!

THANK YOU!

Now
THAT'S
birth
control!

ISN'T
it,
Girls?

YEAH!

It
sure
IS!
