

A woman doesn't need a torture
chamber equipped

with hot burning coals and steel
tipped whips

to bring agony and misery to some
hapless male

No, she doesn't need THAT at ALL as
you'll see in this tale

"PLEASE unlock me
Mistress and let
me have some
release?"

I'm BEGGING you
Mistress, it's been
over TWO weeks!

I want to come so
fucking BADLY that
I just want to CRY,

PLEASE let me come
Mistress?

Oh God
PLEASE
Mistress,

"CAN I?"

slave, I was
gonna let you out
the FIRST day

but after you
served me my
SUPPER,

I discovered
it made me so
fucking HORNY

watching
you
SUFFER!

That 's why
I want you
to WATCH

MY sexual
release

and MAYBE I'll
unlock you at the
end of NEXT week!

"Yes Mistress!"
