

Here is the story of Katherine Mc Dobby
who impressed her boss with what she
does as a hobby

If YOUR hobby
like MINE

is training
submissive
males to
be SLAVES

who will
serve and
pleasure
their
Mistresses

for the rest
of their days,

and you may
not get that
promotion

because your
boss is
a JERK,

then do what
I did and

"Bring Your HOBBY To WORK!"

Then put him
on his knees
right in
FRONT of

that holier
than thou
BITCH,

and tell him
to spend the
entire DAY

PLEASING her
like THIS!

And by the
END of the
day

you'll HAVE
that increase
in pay,

and the
pride of her
knowing it
was YOU

who taught
him how to
OBEY!
