

Beware, this could be your future  
Girlfriend or even your future WIFE  
you submissive pup

telling this story about what SHE  
did when SHE was growing up!

Once upon a  
time when I was  
still living at  
home,  
I didn't WANT  
to and really  
COULDN'T

leave my  
brother **ALONE!**

God, I LOVED  
torturing him  
and punishing  
him when he'd  
disobey Mom  
or me,

and I'd have  
ORGASM after  
ORGASM while he  
would CRY,  
and he would  
BEG futilely,  
for me to show  
just a LITTLE  
mercy!

But I'd give him  
NO mercy and his  
SCREAMS would be  
akin to a SYNPHONY  
to my ear.  
until MoM would  
throw my bedroom  
doors open and  
SCREAM in a  
voice

**"Even The Devil Would Fear"**

WAKE ME UP WITH YOUR  
SCREAMING AGAIN AND  
THIS TIME I'LL LET  
HER CUT YOUR BALLS OFF!

DO I MAKE  
MYSELF CLEAR?

A woman with long dark hair, wearing a bright yellow dress with a blue and green floral pattern and high-heeled sandals, is sitting on the back of a shirtless man lying on a bed. The man is lying on his side, facing left, with his head on a white pillow. The woman is sitting on his back, leaning forward slightly. The bed has white linens. In the background, there is a window with white curtains and a dark wooden headboard. The overall lighting is soft and indoor.

**YES  
MOMMY!**

A woman with long dark hair, wearing a bright yellow and blue patterned dress and high-heeled sandals, is sitting on the back of a shirtless man lying on a bed. She is looking towards the right. The man is lying on his side, facing left, with his head on a white pillow. The room has a window with white curtains in the background.

**YES  
MOMMY  
DEAR!**

And NOW he  
is OWNED by  
a VERY  
dominant  
Wife, and now  
SHE fucks  
him without  
any lube  
every day of  
his life,

because  
she CAN!
