

With stories of their removal
we're not too enthralled
but when we're their slaves
they DO own our balls!

Keep jerking
OFF without
permission

and making
yourselves
COME ,

but remember
that your
Mistress

will CATCH
you,
HUH Hon?

"Yes
Mistress!"

And I know
that you've
had them

all your life
and you'll
MISS

having them
attached

"Because Mistress Did THIS!"

A woman with long, wavy red hair is sitting on a man's lap. She is wearing a black, sleeveless top with buttons. Her hands are cuffed to the man's groin with large metal handcuffs. She is looking towards the camera with a slight smile. The background is dark with some light coming from a window with blinds.

"NOOOOOO!"

Say GOODBYE
to your
balls,
slave!

"NOOOOOO!"

"Yes

A woman with vibrant red hair, wearing a white nurse's cap and a white lab coat, is shown in a medical setting. She is wearing blue nitrile gloves and has a tattoo on her left forearm. She is looking towards the camera with a serious expression. In the background, there is a surgical light fixture and a portion of an eye chart with letters like 'N', 'F', 'T', 'L', 'E', 'R', 'C', 'D'.

your ass
IN there!

I'm
WAITING,
slave!
