

Just ONCE a month, and NO debate
is when he will ejaculate.

But only if he helps her out
with his tongue and with his mouth
And once her suffering is appeased
she'll let him jerk off on his knees

"Mistress?"

WHAT,
slave?

"May I be let
out and may I
make myself
come for you,
Mistress?"

NO slave!
You may NOT!

"But I made
YOU come with
my mouth and
my tongue,
Mistress!"

"PLEASE let
me come TOO,
Mistress?"

"Please?"

YOU,
slave,

are only
allowed
to come

"ONCE A Month,"

and thank
GOD it's
only ONCE
a month,

on that
special
day

when
I

am a
THOUSAND
percent
SURE

that
it's
REALLY
the END

of MY
suffering
for the
month

AND

you've
been
doing

THIS,

without
having to
be TOLD,
even ONCE,

EVERY day
of that
MONTH!

Sorry slave,
but YOUR
suffering
isn't over
yet!

YOU have a
few more
things to DO
first!

Now go
clean my
house!

"Yes
Mistress!"

And make
sure it's
done RIGHT,

or MY strap
and YOUR ass

will be
having a
MEETING!
