

May this story bring you
a little holiday bliss
fantasizing that YOUR life
is something like this!

Kiss Carols
feet, slave!

A photograph of two women in formal evening wear standing in a room. The woman on the left is wearing a long white dress and holding a cigarette. The woman on the right is wearing a bright blue two-piece dress with a large cutout and is holding a glass of wine. In the foreground, a man is lying on the floor, wearing a black collar with a gold ring, and is kissing the foot of the woman in the blue dress. In the background, there is a bar area with various bottles and a tall, clear, cylindrical object on the floor.

**"YES
MISTRESS
ANN!"**

Wow!

How'd you
get him
to OBEY
you
like
this,
Ann?

Well,
one

"Christmas Carol"

he GAVE
me his
BALLS!
And told
me that
WITH them

I could do
ANYTHING
at all!
And so
I DID what
I wanted

to do
with MY
balls,

and he's
NEVER
disobeyed
me

SINCE then,
at ALL!

WOW!

Yeah, the end
of this party
will be
EARLY
tonight,

but I'll
have MY
fun,

when we
get HOME
tonight!

WON'T I?

A photograph of two women in formal evening wear standing in a room. The woman on the left is wearing a long white dress and holding a cigarette. The woman on the right is wearing a bright blue two-piece dress with a large cutout and is holding a glass of wine. In the foreground, a man is lying on the floor, wearing a black collar with a gold ring, and is kissing the foot of the woman in the blue dress. In the background, there is a bar with various bottles and a lava lamp.
