

Do you think that just maybe it
may help her some

to decide to be kind and let you
jerk off and come

if you get on your knees and you
passionately kiss

the soaking wet femininity of a
woman like THIS?

Girls,
I call them
"COME panties"
and I use
them FOR

him to jerk off
and come INTO
instead of
messing
my floor

with all that
come he's been
HOLDING for two
weeks or more!

And he'll STARE
at the panties
as he kneels
by my bed

and he'll
silently PRAY
and have HOPE
in his head

that after being
obedient as could
BE for two weeks

that TONIGHT is
the night that
I finally grant
him release!

And Girls I
really SHOULD
do that,

but there's
only one
hitch,

God, I really
LOVE being
a castrating

"Bitch"

Put the "Come
panties" away,
you're not
coming
tonight!

"But
Mistress,"

"But Mistress",
NOTHING!
Do what you
were TOLD
to do,

and then shut
the light off
and go to sleep!

"Yes
Mistress"

"Good night
Mistress!"

Good NIGHT
slave!

A woman with long blonde hair is sitting on a light-colored sofa. She is wearing a white bathrobe and is looking down at a smartphone in her right hand. In her left hand, she holds a glass of red wine. In front of her is a wooden tray containing a plate of pastries, a pink napkin, a white decorative object, and a small white vase with a single white rose. The background shows a brick wall and a bookshelf with books and a small potted plant.

So do **I** think
that kissing
her **THERE** will
help some

toward her
FINALLY giving
him permission
to come?
