

Once upon a time there was a
submissive man

who hadn't cum for MONTHS cause his
Mistresses never SAID that he can

So one night at the fem dom party
before it got really late

they allowed him to have sex with
THEIR idea of their slaves PERFECT
mate!

And she was
REALLY a
DOLL,
she let
him do as
he may,

and GOD,
he'd been
WAITING to
do it for
MANY a day!

But his
Mistresses
were CRUEL,
and they
thought
it'd be
BITCHIN,

to
TELL
him,

"Don't You DARE Cum"

without
HER

permission!

A woman is lying on her back on a large, pink, inflatable object that resembles a large, segmented cushion or a piece of furniture. She is wearing a black top and black stockings. Two women are standing behind her, looking on. One woman is wearing a black dress and is leaning forward, while the other is wearing a black and white patterned dress. The scene is set in a room with a plain wall and a white door in the background.

**YES
MISTRESSES!**

And as you
can imagine
for HIM,
it didn't
go very
well,

and he cryed
ALL the way
home,
to face
even MORE
days in
HELL,

because,
remember
the DOLL?
Well, they
took HER
home with
them TOO,

and they
had fun
EVERY day,
making him
do,

well, I think
you KNOW what
they made him
do EVERY
day slave!
DON'T you?
