

They won't be your Birthday
or Christmas no more
once you kneel naked
down there on the floor
and BEG to be HER slave
and serve her, I guess
they'll be more like THIS
if she tells you "YES"!

Keeping him
LOCKED in a
cock cage

certainly
PAYS,

because now he
looks FORWARD
to

"His SPECIAL Days"

when I let
him OUT

and I entertain
my friends

by jerking
him off

for HOURS
on end

and I FORBID
him to come

so he suffers
ALL day,

until ALL of
my Girlfriends

AGREE that
he MAY!

And at the
END of these
days

if he's a
VERY lucky
man,

has him
squirting his
come

all OVER
my hand!

And NONE of my
Girlfriends

think that I'm
being MEAN

when he's
finished and
I make him

lick my
hand CLEAN!

DO you,
Girls?

Hell
NO!

NOPE!

None
of US
do!
