

I asked my Mistress

"How good should I be?"

when she first began

"Come" training me

Let's look
at the clock
then see a
story

about how
GOOD you
should be

starring
YOU and my
Girlfriend

"Anna Marie!"

A woman with dark hair and red lipstick, wearing a shiny gold long-sleeved top, is performing a massage on the back of a person whose back is to the camera. The woman is looking up and smiling. The background features a wall with a large, circular, peacock-feather-like decorative mirror and a ceiling light fixture.

GOD, it
must be
HARD

being
her
SLAVE

trained
to BEHAVE

and
ALWAYS
obey

her rule
about not
coming ONE
drop

unless
she SAYS
that you
may,

A woman with dark hair and red lipstick, wearing a shiny gold long-sleeved dress, is looking up and smiling while touching the leg of a person whose back is to the camera. The person's leg is bare and appears to be wearing a high-heeled shoe. The background features a wall with a large, circular, peacock-feather-like decorative mirror and a ceiling light fixture.

Huh
slave?

YES MISTRESS!

GOOD!

Now let
me see
you OBEY
her,
slave!

YES MISTRESS!

Now look at
the clock!

YES!
THIS is how
good I want
YOU to be

about not
coming
without
permission
from ME!
