

When the cats away THIS mouse won't
PLAY

and her apartment WILL get cleaned
today!

I'm going
out to have
FUN with my
Girlfriends
tonight,

and i don't
want him to do
ANYTHING but
cleaning my
apartment
and cleaning
it RIGHT!

So to make
SURE that's
the ONLY
thing that
he'll be
WANTING
to do,

before
I leave

"He WILL Say"

THANK YOU FOR LETTING
ME CUM MISTRESS SUE!

And I tell
him "You're
welcome!" as
I watch him
cum and cum,
until I am
CERTAIN that
ALL of his
cumming is
done,

so I KNOW
what he
WON'T be
doing while
I'M out
having FUN,

WON'T I?
