

You can't really help it
it's beyond your control
and driven by something
deep in your soul

This is
a story
about what a
submissive
male like
you,

would
probably
want REALLY
badly to do,

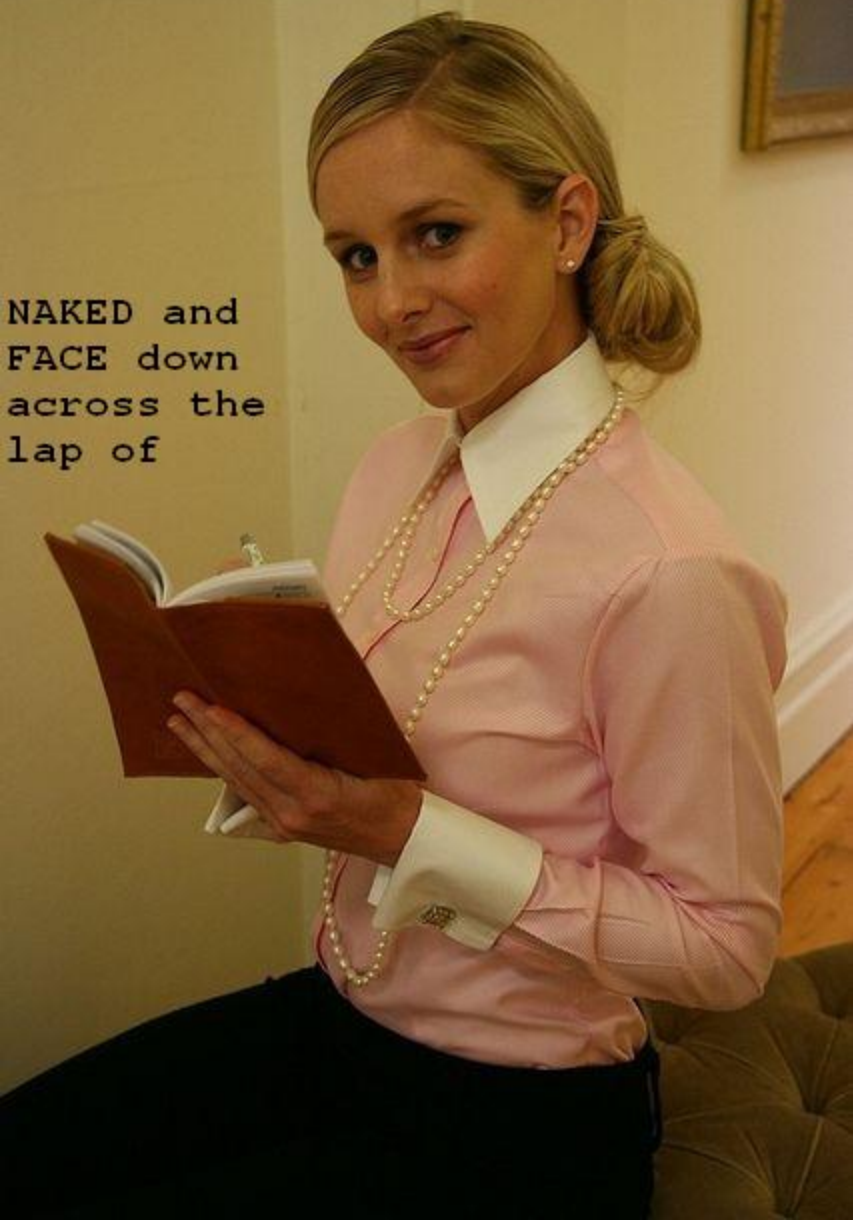

after just
IMAGINING

"Spending "Quality" Time"

NAKED and
FACE down
across the
lap of

Margaret!

Kathleen!

Teresa!

Teresas
friend
Mary Lou!

And let's
NOT forget
about CAROL,

who
BECKONS
to you!

You may
now go DO
what you
want
REALLY
badly
to do!

Oh my God
THANK YOU!

Thank you
Mistress Sue!

You're
Welcome!
