

You'll beg and cry and plead for sex  
but boy you may not like what's next,  
She's a dominant woman, what can I say  
and has her OWN ideas about FORE play!

"I'm sorry  
that I  
bothered  
you by  
begging you  
to have sex  
with me,  
Mistress!"

Yeah slave,  
I'm sure  
that you  
ARE sorry,

and after a  
few more  
hours like  
this you'll  
be even  
sorrier,  
WON'T  
you,  
slave?

"Yes  
Mistress!"

Yeah,  
this IS  
painful and  
humiliating  
for you,  
Huh?

"Yes  
Mistress!"

Well,  
look at the  
bright side  
slave,

sometimes a  
mans pain and  
humiliation,

IS what  
gets a  
woman,

all WET  
and

**"Ready For Him"**

Damn, this  
story's  
making me  
horny!

SLAVE!  
Crawl  
your  
ass OVER  
here!

"How may  
I serve  
you,  
Mistress?"

I'm getting  
horny and  
I want to  
have sex  
with you,

I want you to  
stand up and  
get me ready  
with some  
foreplay!

"Yes  
Mistress!"

When was the last time  
that I allowed you to  
come, slave?

"Over six  
months ago,  
Mistress!"

GOOD! Then it won't  
take you too long  
to come without my  
permission,

WILL it,  
slave?

"Oh God,  
please don't  
punish me if I  
come Mistress?  
Please?"

slave,  
I'll DO  
what I  
WANT  
to do!

"Yes  
Mistress!"

"OH GOD,  
I'M SORRY  
MISTRESS!"

God DAMN  
it slave,

you CAME before  
I gave you  
PERMISSION to!

Lick your mess off  
my leg and then lay  
your ass on my bed  
so I can  
**PUNISH**  
you!

"YES  
MISTRESS!"

A woman with long brown hair, wearing a black halter-neck dress with a studded bodice and a high slit, stands in a bedroom. She holds a black whip aloft in her right hand and has her left hand on her hip. She is looking down at a man lying on his stomach on a bed. The man is shirtless, has grey hair, and is smiling broadly. He is holding a smartphone in his hands. The room features a wooden door, a bedside table with a lamp, and a bed with a patterned pillow.

You're getting  
fifty, start  
counting slave!

"YES  
MISTRESS!"

**"ONE  
MISTRESS!"**

**"TWO

**"FORTY

"FIFTY
