

With GRATITUDE I did it
kneeling humble and meek
when I came this way for HER
at the end of each week

"Please,
Mistress?"

" PLEASE? "

Honey,
when I
made you
my SLAVE
I TOLD
you

"As Soon As I DID It,"

that what
would come
NEXT

would be
very drastic
CHANGES
in the
way we
have SEX!

A woman with long dark hair, wearing a black top and a patterned skirt, is sitting in a black office chair. She is looking towards the left side of the frame. In the foreground, the legs of a man are visible, extending from the left edge. The man's legs are muscular and appear to be in a dark, possibly wet or oiled, state. The background is a plain, light-colored wall with a door handle visible. The lighting is warm and focused on the subjects.

And I told
you you'd
NEVER again
COME
with that
thing
INSIDE
me,

instead
you'll
do it
YOURSELF
while I
WATCH,
on your
KNEES!

SO Honey,
That's
ALL of
what I
have to
say,

except that
if you DO
want to
come,
you'll
do it
THAT
way,

before I put
the cock
cage back
ON you,
for seven
MORE days!

And before
you even
ASK,
the answer
is YES!

When you're
FINISHED
you DO
have to lick
up and
SWALLOW
your mess!

Now decide if
you WANT to
come THIS week
for me,

you have ONE
minute to say
what your
DECISION will
be!

"Yes Mistress!"

The End
