

This story's about Audrey
and her slave named Ray
who's going to be VERY obedient
the next couple of days

I LOVE
feeling your
cock THROB

when you're
JUST about
to come

when I jerk
you off like
this!

And I REALLY
love the way
it THROBS

"When I STOP"

and ALL that
COME, that you've
been holding for
me all WEEK

is trying
DESPERATELY
to get OUT!

And as soon
as you calm
DOWN

I'm going to
make it throb
AGAIN

and AGAIN and
AGAIN and AGAIN

until the
END of this
weekend

when I MAY
let you come

before I
go home!
