

"Some of you Girls deep inside  
really DO

WANT your husband or boyfriend  
to meekly say "YES MISTRESS!"  
to you."

Here's a  
VERY short  
story for  
you Girls  
who haven't  
a CLUE

about how  
to make a  
submissive  
man do  
EVERYTHING

**"You WANT Him To Do!"**

do they  
HURT?

YES  
MISTRESS!

WOW!  
And it's  
only been  
ten minutes!

do you want  
me to KEEP  
you this way  
until I leave  
for my office  
in the  
morning?

OH GOD NO  
MISTRESS!

Are you  
going to do  
**EVERYTHING I**  
**WANT** you to  
do tonight?

**YES**  
**MISTRESS!**

Oooooh YES,  
I believe that  
you WILL!  
Now serve me  
my dinner!

**YES  
MISTRESS!**

And he DID  
everything  
that she  
wanted ALL  
night and  
he made  
fucking  
SURE he did  
everything  
RIGHT,

including  
the way  
that she  
WANTED him  
to kiss her  
good night!

And so HE  
went to  
sleep with  
his balls  
finally  
FREE

and SHE had  
VERY sweet  
dreams!  
Ooooh YES!  
DIDN'T she?
