

This is a story about what YOUR life
may be

once you put one of THESE on and you
hand her the key

"But
Mistress,

God DAMN
it slave,

why do you
have to be
such a JERK,

and give me
a hard time
about simply

"Getting Ready For Work?"

"But
Mistress,

it's
HUMILIATING!"

A woman with long blonde hair is in a bathroom, looking at her reflection in a mirror. She is applying lipstick. On the counter in front of the mirror are several makeup palettes and brushes. The bathroom has grey tiled walls and a white sink with a chrome faucet. The text "slave, I don't CARE!" is superimposed on the image.

and put
ON the
BLUE pair!

"Yes Mistress!"

Is THIS
what you
want me
to wear,
Mistress?"

YES slave,
it IS!
Now get
your ass
in my car

so I can
take YOU
to MY
office

dressed
as you
ARE!

"Yes
Mistress!"

You know,
I COULD
be wrong,

but I have
a strong
hunch

that at
the end
of the
morning

when I
send him
OUT to
get LUNCH,

he'll be
RUING the
day, TWO
months NOW
it will be

when he
put that
thing ON

and he
gave ME
the KEY!

WON'T he?
