

You will obey her like you oughta
and do things in the correct order,
and YES there WILL be pain and shame,
because Son, "SLAVE" is your new name.

But that pain and shame you will not hate
when it makes you ejaculate,
and gives you the release you seek
when she permits it ONCE a week!

THIS submissive
male is VERY
well trained!

He obeys his
Mistress by the
NUMBERS when she
tells him to do
certain things,

and tries his
DAMNEDEST to
never get them
