

This story's NOT fiction

she did this most every night

and I LEARNED to obey her

and to obey her RIGHT!

"PLEASE Mistress
Theresa, PLEASE
whip me instead

of teaching me
to obey you
like THIS on
your bed?"

"I'm BEGGING
you Mistress,
please don't DO
this tonight,

I'll be on on
my knees naked
for YOU day
and night

obeying you **TOTALLY**
and serving you
RIGHT!

PLEASE Mistress Theresa
please DON'T use your hand
and turn me into
a sobbing WRECK
of a man?

"You did this
Sunday and Monday
not much more
can I TAKE,

PLEASE
Mistres
Theresa!
PLEASE
give me

"A Break?"

But that's how
you LEARN to
obey more
than SOME

by me doing THIS
to your cock
till you JUST
about come!

"OH GOD MISTRESS THERESA!
PLEASE LET ME COME? PLEASE?"

And then I
tell you NO!
You only come
ONCE a week,

so OBEY me
and Saturday
I MAY give
you release!

"BUT TODAY'S ONLY TUESDAY,
MISTRESS THERESA!"

you
sob,

as I get
started
AGAIN

doing
my JOB!

The End

And I make
SURE that I
LEAVE him a
blubbering
MESS

and although
it IS cruel,
I do HAVE
to confess

that denying
him like THIS
for HOURS on
end

makes him
obey me the
NEXT day

COMPLETELY,
my friend!

DOESN'T it,
slave?

"YES MISTRESS THERESA!"

YEAH!
