

Oh yes we SUFFER we certainly do
this story's short but NOT sweet
and GOD is it true!

This is a story
about SEX

A person is standing in a bedroom, wearing a black fishnet bodystocking with a metal garter belt. The person's torso is visible, showing their midriff and the garter belt. In the foreground, the legs of another person wearing black fishnet stockings are visible, framing the central figure. The background shows a television on a wooden stand and a lamp, suggesting a domestic setting.

and how when I'M in the mood
and I ALLOW it to occur

it's never about
MY sexual pleasure

"It's ALL About HER!"

A person is shown from the back, wearing a black fishnet bodystocking with a large, shiny metal clasp at the crotch. Their legs are spread apart, and the foreground shows the person's own legs in similar fishnet stockings. The background is a dimly lit room with a television on a wooden stand.

And I'm living VERY
happily ever after!
