and please Mistress Teresa in every way
because she advised me on day number one
what would have happened if I HADN'T done

"I'm sorry

"I'll never

Mistress Teresa!"

"I PROMISE
Mistress
Teresa!"

Mary

Ann

A woman with blonde hair is dressed in a nurse costume. She wears a white nurse's cap with a red cross, a white short-sleeved lab coat that is open, revealing a dark bra and a navel piercing. She is also wearing light pink or white thigh-high stockings. She is holding a pair of white latex gloves, with one glove already on her right hand and the other being pulled on her left. The background consists of vertical wood paneling and a potted plant to the right.
