

Your Mistress may decide today
some thing to help your ass obey
and so you'll have to watch a scene
of how a Mistress CAN be mean.

She'll give her slave what he deserves
and YOU will surely BE disturbed!

What
you're
about
to
see is
VERY
graphic,

and
can
make
ANY
male
have
night
mares,

and
I'm
sorry
that
you
have
to watch
this,
Honey,

but
I
WANT
you
to,

"Be VERY Afraid!"

This male will be
hung by his
balls as
punishment
for disobeying
his Mistress!

As soon as I
put the noose
around his
doomed testicles
I will use
my hand to
give him his
final
ejaculation.

A woman with long brown hair and glasses, wearing a black top, black skirt, and black high-heeled shoes, stands in a dark room. She is holding a long wooden rod horizontally. A man is lying on a grey mat on the floor, appearing to be restrained or in a state of submission. The background is a dark, textured wall.

When he is all
finished with
his final
ejaculation,
my assistant
Dianne will
slowly pull
the rope TIGHT
and begin his
hanging!

He's going
to try
REALLY
hard
NOT to
come!

They
ALL do!

They think
that if they
don't COME,
the sentence
won't be
carried out!

But it doesn't
help them
very much
because
they're
MALES,

and us GIRLS
all know what
every male
eventually
MUST do!

They COME !

ALL over our
hand!

And now you
can watch
this male
SUFFER
as I carry
out his
sentence!

You may begin
pulling the
rope tight
NOW, Dianne!

Enjoy it
Girls!

Because your
males are
going to be
VERY obedient
for you
after
watching
THIS with
you!

AREN'T
they,
slave?

"OH GOD!
PLEASE
MISTRESS!"

"NOOOOOO!"

A woman with long blonde hair and black-rimmed glasses stands over a man lying on a grey mat on a dark floor. She is wearing black lingerie, including a top, a skirt, and fishnet stockings. She holds a wooden stick in her right hand, which is positioned near the man's mouth. The man is lying on his back, wearing a black collar and a black waistband. He has ropes or thin sticks around his neck and waist. The background is a dark, textured wall.

"OH MY GOD
NOOOOOOOO!"

NOW you know what
happens if you
keep disobeying
me,

DON ' T
you?

"Yes
Mistress!"

So go and
get every
thing
ready for
my bath,
Honey,

NOW!

"Yes
Mistress!"

Yeah,
I think
he's going
to be VERY
obedient
to me from
now on!

Huh?
