

No, a Woman doesn't have to
put a gun to your head
God, it works even BETTER
when she does THIS instead

GOD!
Having this
kind of POWER
is AWESOME
to me!

And it'll be
even **BETTER**
when he's
up to

"Week Nunber THREE!"

When it was my
bedtime I knelt naked
by my Mistresses bed

with prayers of
"Maybe she'll let me
make myself come tonite!"
SCREAMING in my head,

because I did the laundry,
ironed her clothes and
dusted, and cleaned her
whole damn house,

without her having
to TELL me,
her SLAVE, her PET,
her submissive little
MOUSE,

who wants to come SO
fucking BAD for her,
that it's become his
lifes mission,

but even though it's
been two weeks I CAN'T,
without my Mistresses
PERMISSION!

That's
CORRECT
slave!

Now take
my panties
off

and BEG
for it!

**YES
MISTRESS!**

You may shut
the light off
and go to sleep
now slave!

YES
MISYRESS!

Good night
Mistress!

Good night
slave!
