

If you submissive males want to
give us THIS gift

and we TAKE it you should not
complain or be miffed

because you should realize
before to THIS you aspire

some times a Girl has her OWN
dark desire!

GET
IN HERE
SLAVE!

"I Want To SHOW Them!"

YES MISTRESS!

These are the balls
that my doctor will
be removing today,

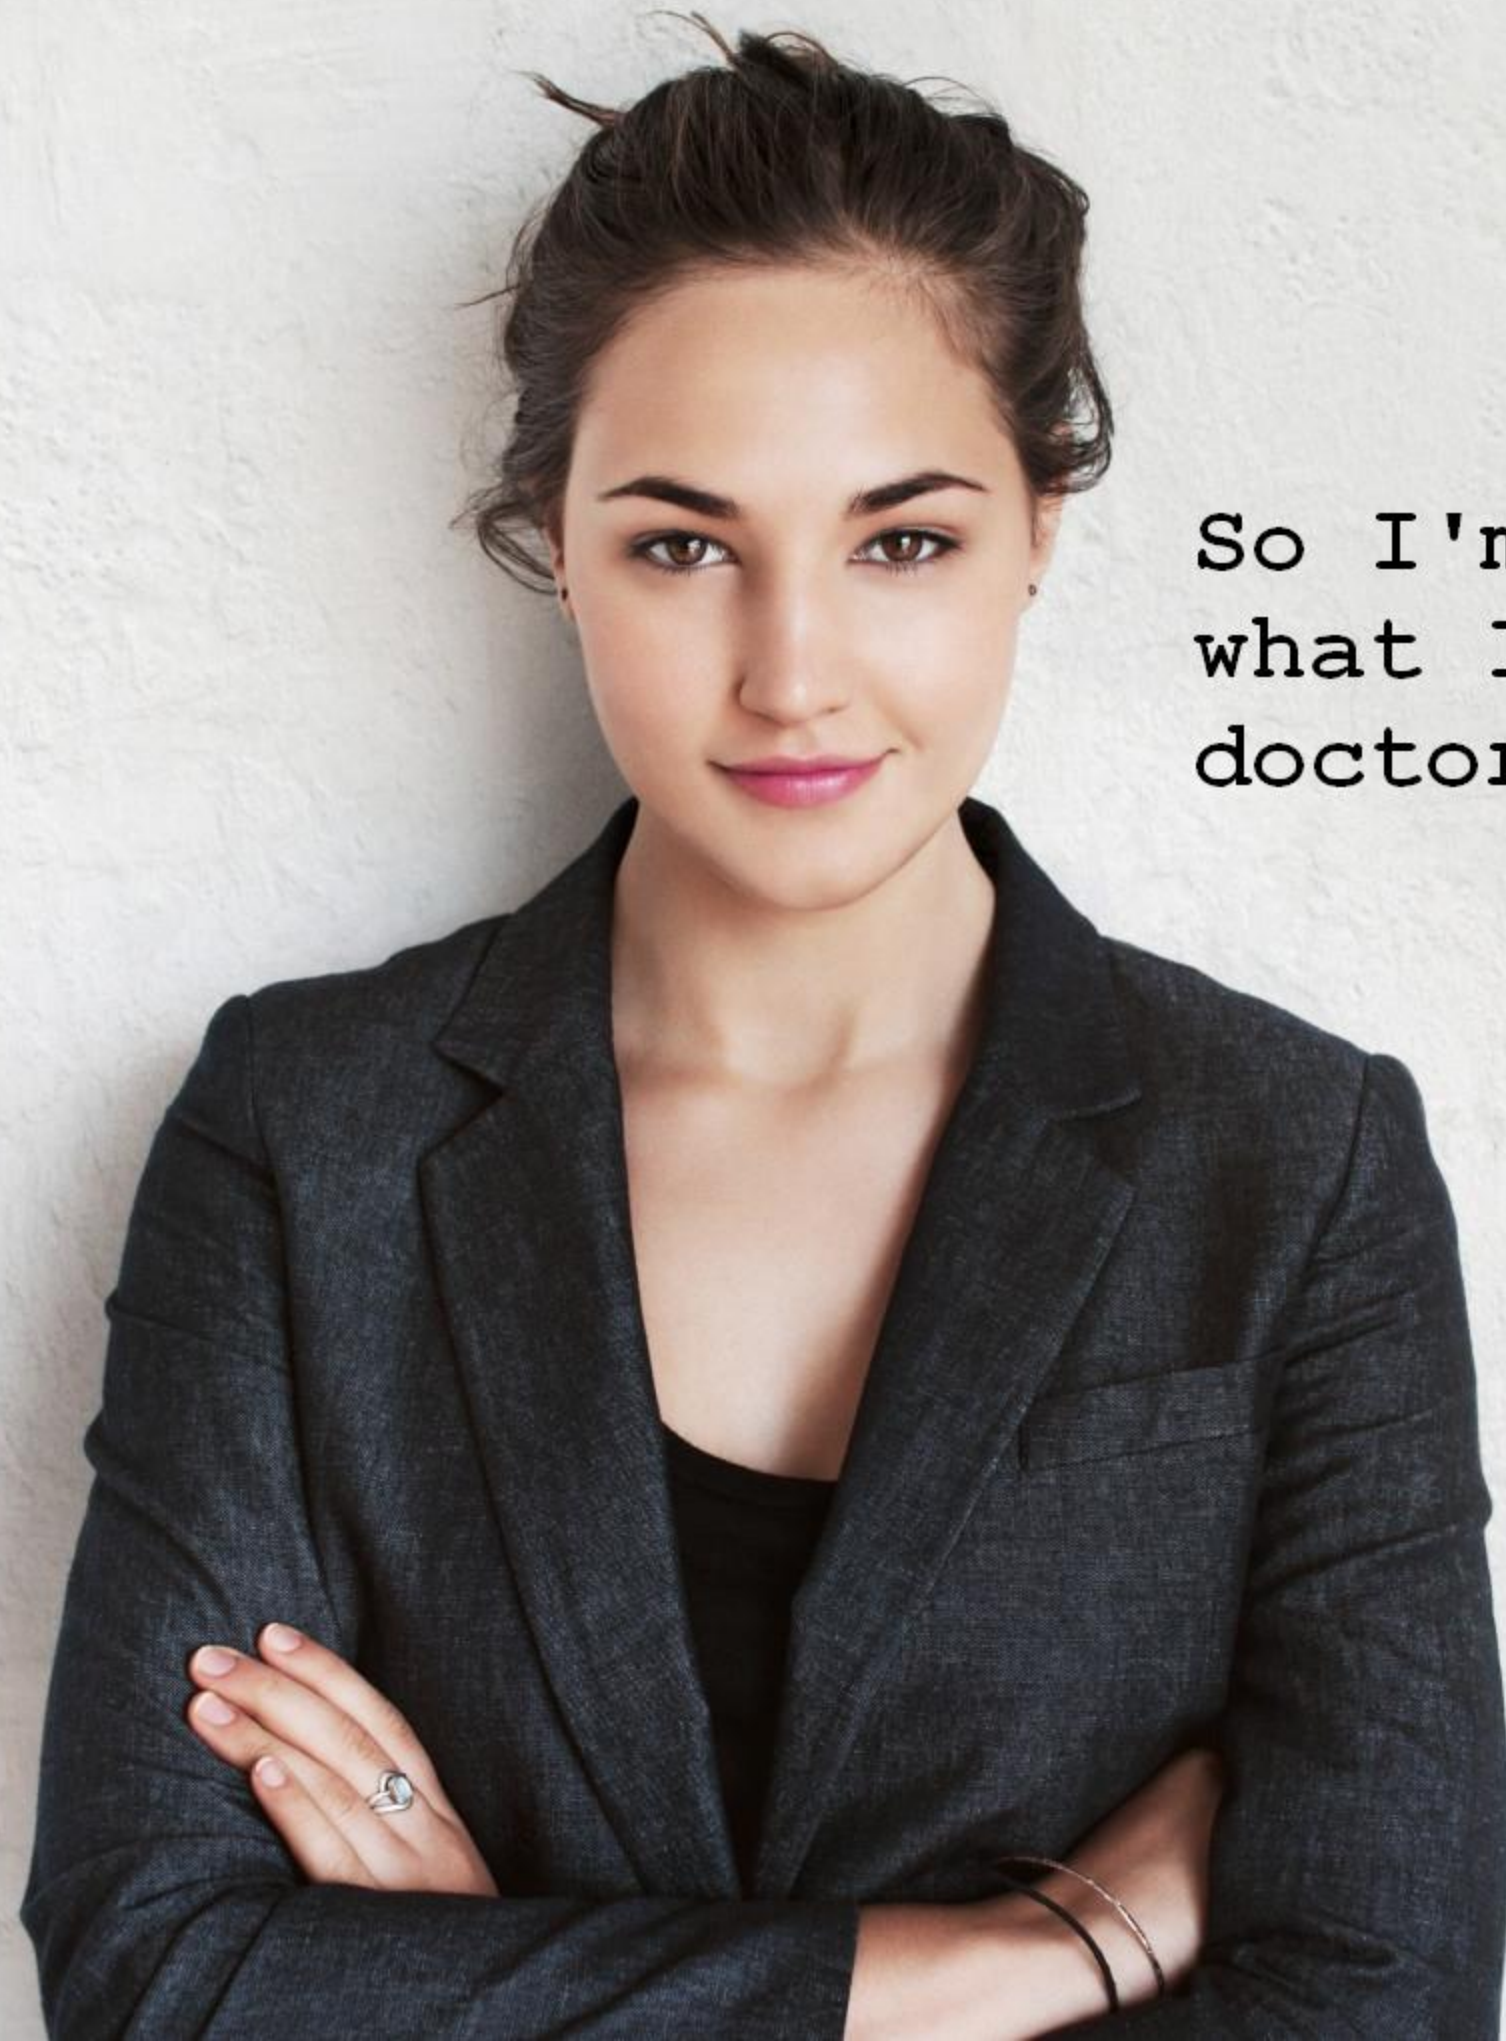

a GIFT from my
SLAVE who knelt
naked to say

Please accept them
as a GIFT

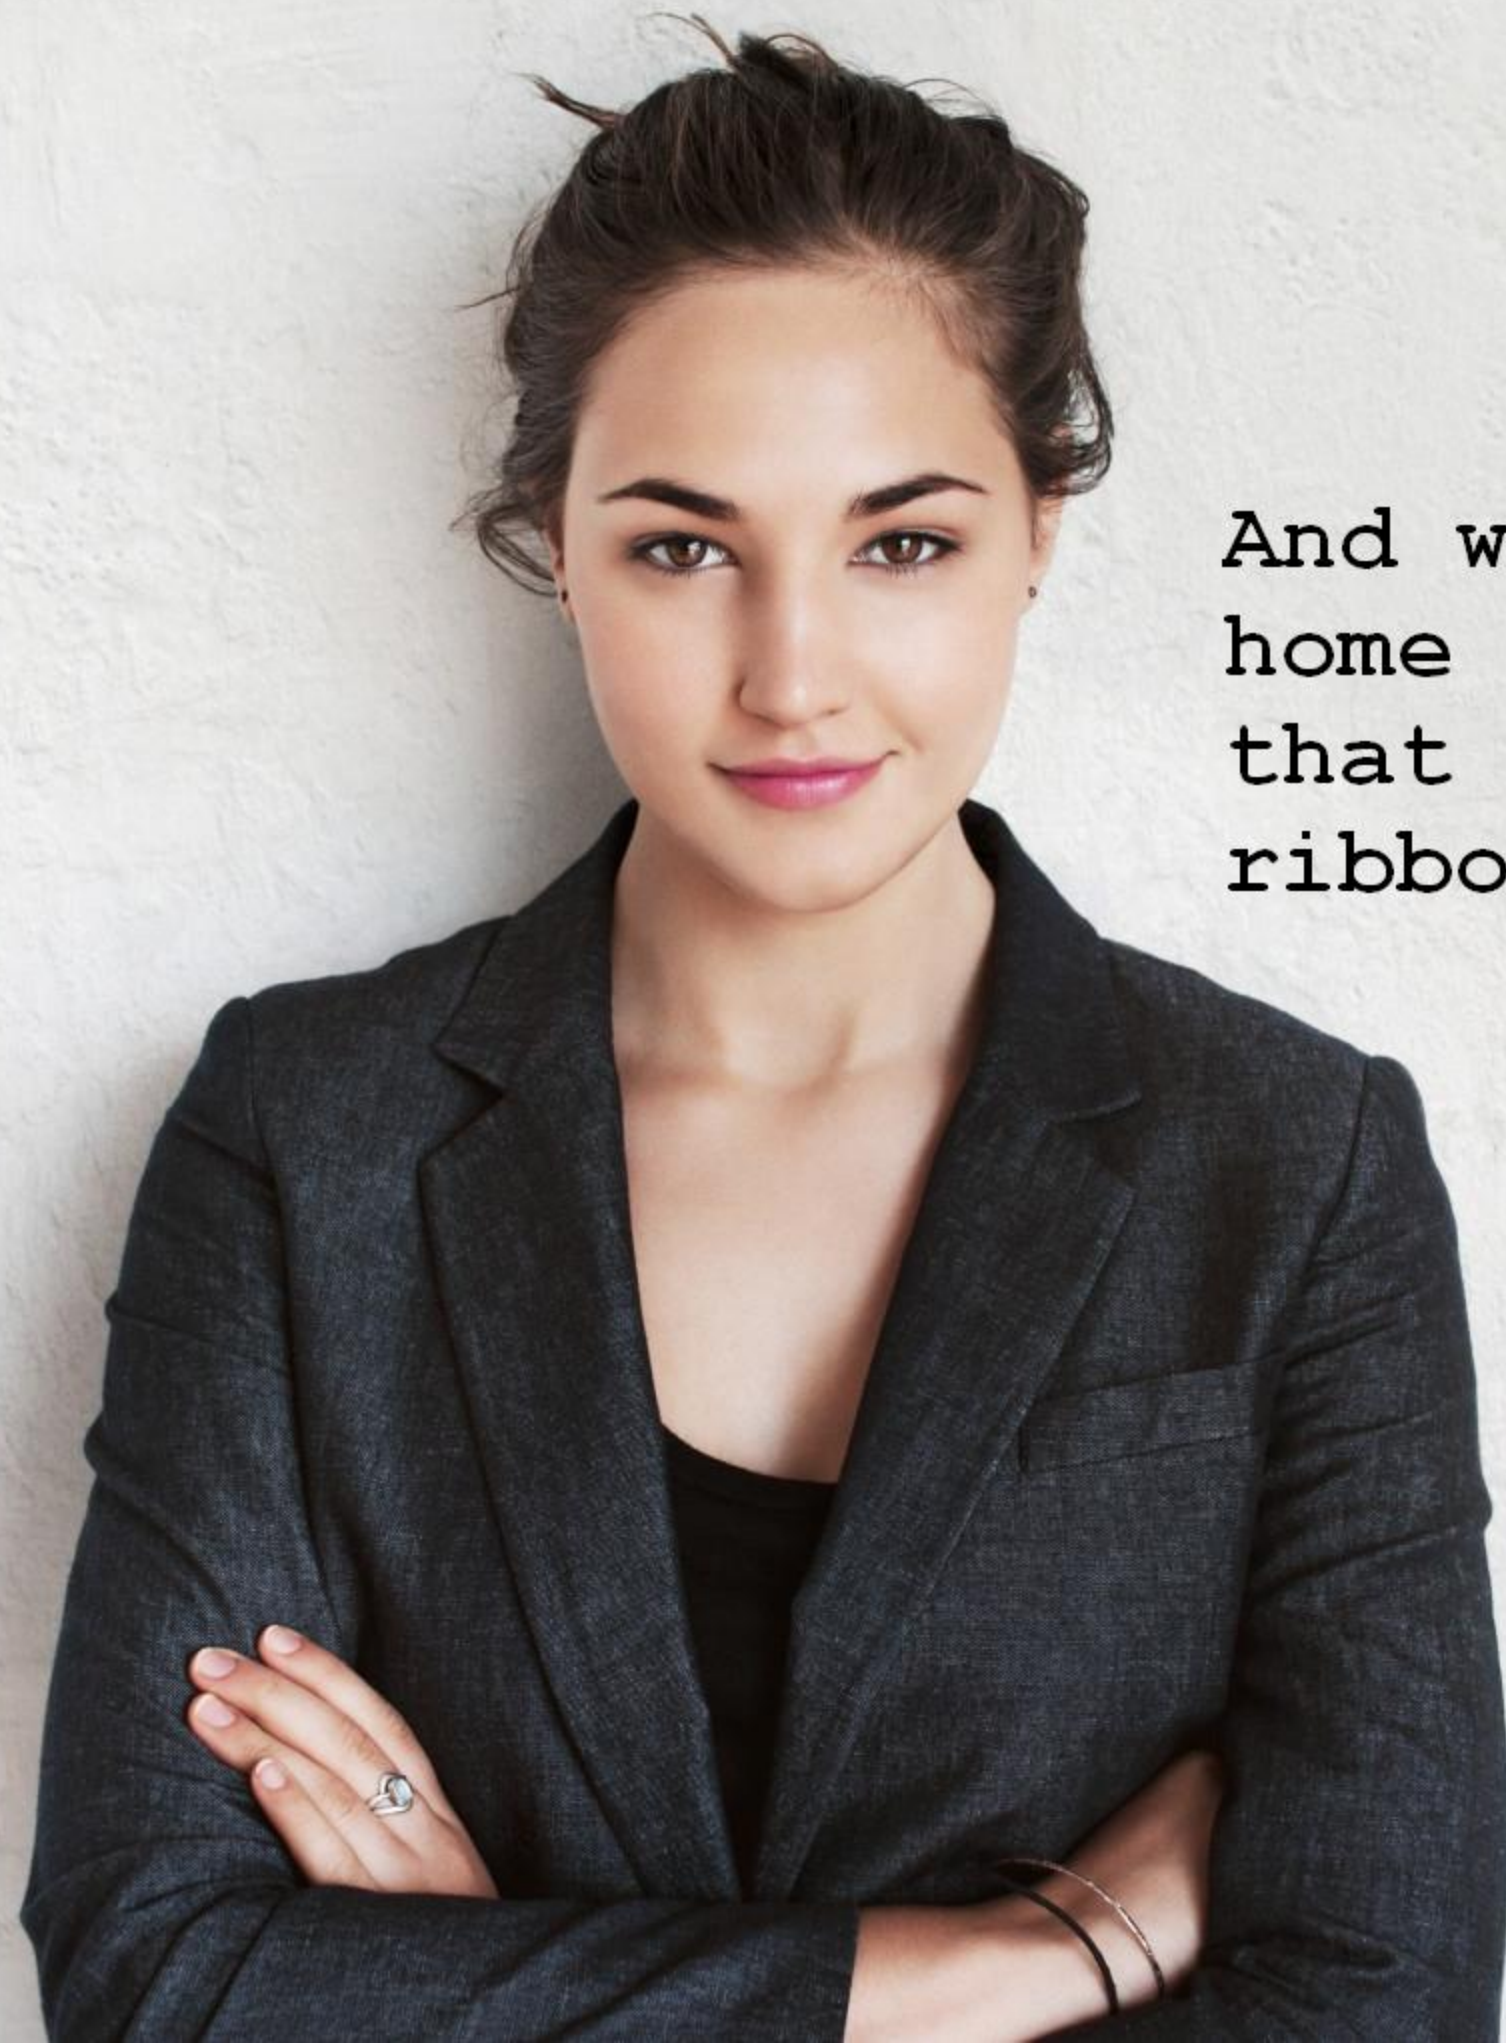

to do with
as you may!

So I'm gonna DO
what I MAY at my
doctors today

And when we get
home you can put
that pretty
ribbon AWAY!

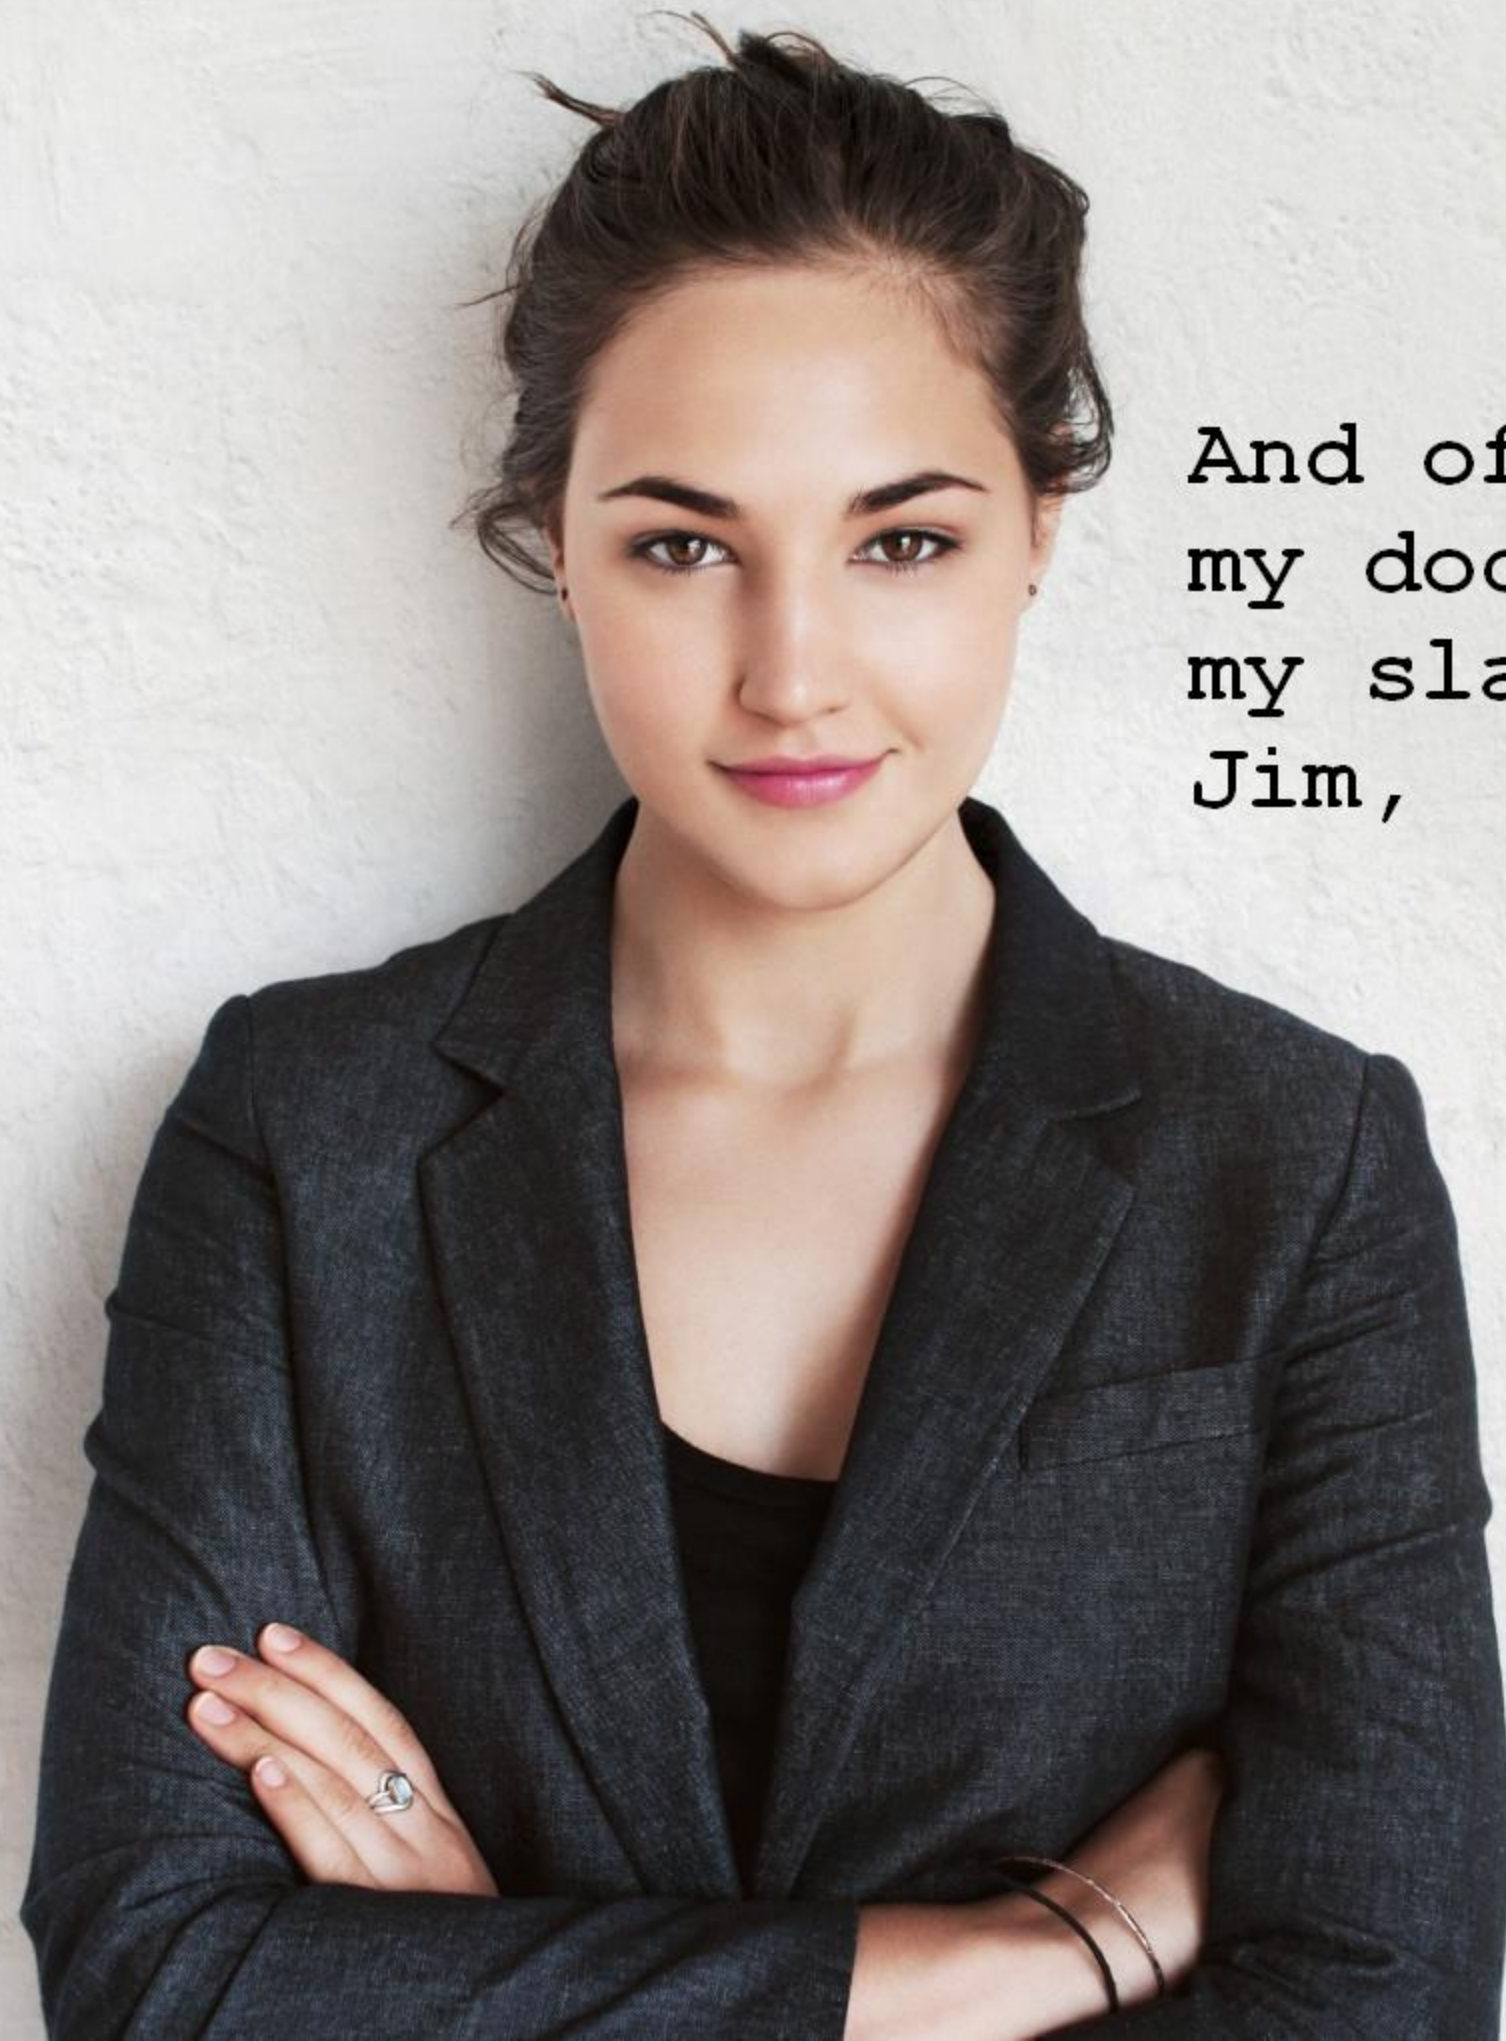

You won't be
needing it ANY
more slave!

Now get your
naked ass in
my car!

YES MISTRESS!

And off we went to
my doctor and for
my slave/husband
Jim,

it wasn't a very
HAPPY experience

For HIM!

But for ME?

Ooooooh YEAH!
That IS
something to
think about,
huh Girls?

Ooooooh YEAH!
