

Telling you YOUR rights
is a nice thing to do
as long as she tells you
what HER rights are TOO!

I don't CARE
if it'll hurt

or it'll cause
you great SHAME,

or if your
precious
BALLS

get a little
inflamed!

You WILL put
them ON

you WILL wear
them for me,

or you can get
your ass DRESSED

and THEN you
can LEAVE!

Now get where
you BELONG slave,

down on
your KNEES,

open your EARS,
and LISTEN to me!

You
have

"The Right"

to remain
SILENT

or to USE
your safe
word

and to know that
begging for mercy

from ME
is absurd!

You have the
right to
know NOW,

before we
even START,

that I'm a
castrating
BITCH

who does NOT
have a heart!

And I love
hearing you BEG

and I love
hearing
you SCREAM,

and that
this WILL
be a
NIGHTMARE

and NOT a
wet dream!

So I've read
you your
RIGHTS,

and now if
you don't
CARE,

my play room's
down the hall
slave,

CRAWL your
ass there!

"YES
MISTRESS!"

And now the end
of HIS ownership
of his two
useless balls

will be heralded
by his screams

echoing off
the walls

of my "Play room"
as THIS Girl

tells this
SLAVE tonight,

that taking
his BALLS

is one of
MY rights!

ISN'T
it?
