

Sticks and stones  
may break my bones

but NAMES will never  
harm me!

A portrait of a woman with long, wavy blonde hair, smiling at the camera. She is wearing a bright yellow short-sleeved top and a necklace with several white pearls. The background is a solid blue color.

And  
if you  
believe  
THAT,  
when  
you're  
her SLAVE,

then GOD,  
you must  
be

**"BALMY!"**

SLAVE,  
this'll  
stay LOCKED  
in the cock  
cage

till time  
comes to  
an end,     it  
if you don't  
get your ass  
IN there

and say  
HELLO to  
my friends!

And YES you'll  
STAY naked  
while you  
get down on  
your KNEES,

now get  
your ass  
IN there,  
and DO it  
for me!

**NOW  
SLAVE!**

Hi!

Hi!

Hi!

Hi!

Hi!

Hi!

I'm  
Beth,  
and  
**THESE**  
Ladies  
are

Sharon!

Sue!

Ann!

Helen!

Darlene!

So  
what's  
YOUR  
name?

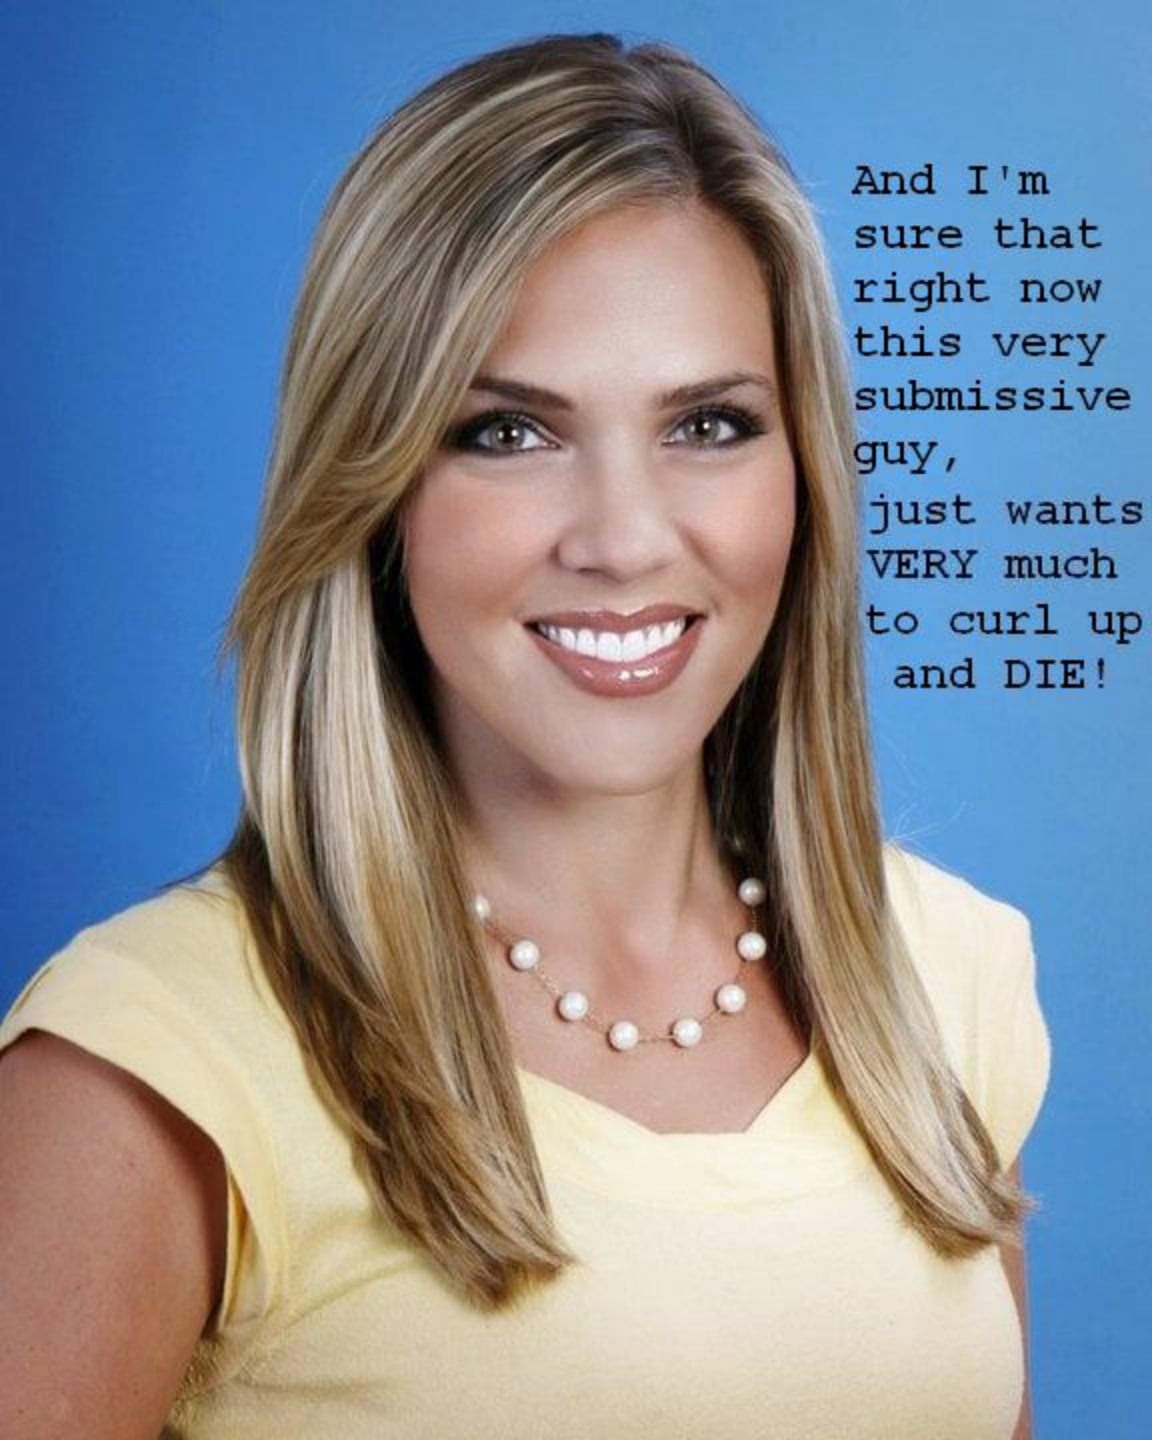

And I'm  
sure that  
right now  
this very  
submissive  
guy,  
just wants  
VERY much  
to curl up  
and DIE!

A portrait of a woman with long, wavy blonde hair, smiling at the camera. She is wearing a bright yellow short-sleeved top and a necklace with several white pearls. The background is a solid blue color.

Because  
CAN you  
imagine  
his  
humiliation  
and SHAME

when he  
obeys his  
Mistress  
and he  
TELLS them  
his name?

Yeah, I  
think he  
stopped  
believing  
about  
those  
sticks  
and  
those  
stones

while  
kneeling  
naked on  
that floor  
ashamed  
and ALONE!

Huh?
