

I obeyed her and served her and stayed
submissive and meek

so she'd allow me to come for her just
ONE time each week

One time each week which she called my
"come day"

when I'd finally get to come but I would
do it HER way

Get used to
it Honey,
this is how
it WILL be

EVERY
time you're
allowed the
PRIVELEGE
of coming
for me!

And you
won't come
ONE drop
while you're
jerking your
pathetic
little
THING

until what
ever time I
set the timer
for is OVER
and I hear
it

"Go DING!"

"Yes
Mistress!"

The end
of only TEN
minutes is
what it's
set for
THIS time

because
all THIS
week he's
obeyed me
and he's
served me
just FINE!

Thank you,
Honey!

"You're
welcome
Mistress!"

DING!

You may
come now,
Honey!
