

May I ask a question?

Can you answer it please?

Did Mistress KNOW how badly her
slave wanted the release

that she allowed him to have only
ONE time each week?

Ooooooh,
she KNEW
how badly
he wanted
to come,

and as his
MISTRESS she
knew it alot
BETTER than
some

OTHER
Women who's
husbands
WEREN'T
submissive
and meek

and were
allowed to come
MORE than just
ONE time each
week!

And it made her
SO horny that
she took him
to bed

and while having
her way with
him QUITE
sternly said

"Don't You DARE"

come and ruin
MY pleasure
or you'll

A man and a woman are shown in a close, intimate pose, nearly kissing. The man is leaning over the woman, who is lying down. The lighting is warm and soft, creating a romantic atmosphere. The man's balls are tied together with a string, forming a bow shape. The woman is looking up at him with a gentle expression.

what it's like
to have your
balls tied
REALLY tight
in a bow

A close-up, intimate photograph of a young man and woman in a bedroom. The man is leaning over the woman, who is lying down. They are facing each other, and the man's hand is near the woman's neck. The woman is wearing a black hair ribbon around her neck, which is connected to a device with wires, likely a vibrator. The scene is dimly lit with warm, golden light from a window in the background. The overall mood is romantic and sensual.

with one of my
hair ribbons
for twenty four
HOURS or so!

The End

And that HOUR
of intercourse
left HER
satisfied,

and HIM doing
the ironing
while he CRIED
and he CRIED

because his
"Come day"
for THIS week
had not yet
arrived!

So the
moral of
this story,
I'm sure
you'll
agree,

is if she makes
you wait a WEEK
for release,
you'll wait
OBEDIENTLY!

Won't you?

**"Yes
Mistress!"**

You're God
Damned
RIGHT you
will!

Now go do what
you were TOLD
to do!

"Yes
Mistress!"
