

Here's a short and sweet story about
how THIS dominant Woman KNOWS the
submissive male my friend

and if you ARE one you'll most
likely say "Yes Mistress!" to her at
the end

A woman with dark hair and glasses is sitting on a wooden chair. She is wearing a light-colored, textured blazer over a dark skirt, sheer black stockings, and black high-heeled pumps. She is holding a wooden chair back with her right hand. The background consists of a dark red curtain and a light-colored wall with a power outlet. The text "Are YOU a man who is not only TRAINED to but truly WANTS to do THIS" is overlaid on the right side of the image.

Are YOU a man
who is not
only TRAINED to
but truly WANTS
to do THIS

fantasy life for
which every
submissive

and why your
little cock's

imagining
kneeling in
front of me
naked right
