

I've learned THIS from experience
and I can honestly attest
that when it comes to HOW you learn
Mistress knows BEST!

Yes, she
knows that
it HURTS
when she
PADDLES
his ass,

but she
ALSO knows
that the
pain fades
WAY too
FAST,

for him to
REALLY
remember
WHY she
had to do

what
she DID
with the
paddle,
to a
stupid
male

" Like YOU!"

**SIXTEEN
MISTRESS !**

**SEVENTEEN
MISTRESS !**

**EIGHTEEN
MISTRESS !**

**NINETEEN
MISTRESS !**

**TWENTY
MISTRESS !**

Now go
stand in
the corner!

1
**YES
MISTRESS !**

Now while I'm taking my bath
I want you THINKING, and
thinking APLENTY,

about WHY I had to pick
up my paddle and GIVE
your ass TWENTY!

YES
MISTRESS!

And YES,
he'll BE
thinking,
and
he'll be
thinking
RIGHT,

that
there's
no way
in HELL
she'll let
HIM come
tonight!

And he'll
think even
LONGER,
for many
DAYS,
even WEEKS,

WHY his
Mistress
aint
ALLOWING
him the
release
that he
seeks!

WON'T
he?

Yes
Mistress!

Honey?

Yes,
Mistress?

Are you
thinking
about what
YOU did
wrong three
weeks ago?

Yes
Mistress!

GOOD!
