

I used to take off my panties and
stuff up his mouth

but eventually he'd manage to spit
the fucking things out

So I called "Femdom products" and
asked them for advice

and they said "Buy a ball gag, they
really work NICE!"

Ooooooooh YES!
They sure DO!

I don't hear anymore
BEGGING, just a loud
MORNING sound,

as my hand on
his cock
girls and guys

girls - for guys
goes UP

"And Then DOWN!"

girls-for-gays

girls-for-gays

girls-for-gays

girls-for-gays

girls-for-gays

girls-for-gays

girls-for-gays

girls-for-gays

Now I no longer hear
him BEGGING at the
TOP of his voice,

"PLEASE LET MR COME!
OH GOD PLEASE
MISTRESS JOYCE!"

girls-for-gays

girls-for-gays

girls-for-gays

GOD, it's made "come"
training much quieter
for ME and my
NEIGHBORS these days

without all his
loud SCREAMING

A woman with long, dark, wavy hair is sitting on a bed. She is wearing a bright red, low-cut, form-fitting dress. Her expression is somber and she is looking down. The background shows a dark, ornate headboard of the bed. The lighting is soft, coming from the left side. In the top right corner, there is a small black square.

when he
disobeys!

And what Femdom
Products said
is TRUE, I no
longer say
even ONE
fucking WORD

and do you
want to hear
something
that's
REALLY
absurd?

I did
something
SO dumb it
was even
dumber than
DUMBER.

When she placed
the order I
told her MY
credit card
number!
