

Perhaps the truest of maxims in a
strictly Female dominated nation

is that a mans obedience is a factor
of his sexual frustration

Once upon a
time there was a
young dominant
Woman named Ann

who wanted her
slave to really
WANT to obey her
every command!

A woman with long blonde hair is sitting on a bed. She is wearing a black bikini. The bed has a white sheet and a large, patterned blanket with red, green, and white floral designs. The background is a wall with light-colored floral wallpaper. The text is overlaid on the right side of the image.

So she thought
for a while
and finally said
with a smile

"WOW!
All I have
to DO

"Is Make Him WAIT"

for what's
to HIM, a
LONG fucking
while!

Don't hang
your head
and CRY
slave!

Lift your
head up and
WATCH what
she's doing!

But Mistress,
it's

CRUEL?

Do what I TOLD
you to do or
you won't cum
for a YEAR!

YES MISTRESS!

**Awww! Poor
slave is
CRYING!**

When was the
last time you
were allowed
to cum?

Two months ago
Mistress!

GOD it must be
pure TORTURE
having to
watch me
jerk MY
slave
off!
Huh?

Yes Mistress!

Well, wait till
you have to
watch him
cum ALL
over me!

And he wanted
to cum SO
fucking BADLY
and though
he BEGGED
his
Mistress,

the only
thing SHE
let him do
THAT night
was

THIS!
