

Remember the old idiom we learned
about in school "The carrot and the
stick"?

Well a dominant Girl learns it YOUNG
and she USES it quick!

Once upon a
random time
for EXACTLY
one hour each
day

I take off
his cage,
lay him
down, and I

"Tease Him This Way!"

OH GOD NO MISTRESS!

Nooooooooooooooooo!!!

Nooooooooooooooooo!!!

No, for HIM
the end of my
teasing
isn't a
HAPPY one
because I put
his cage back
on RIGHT away

and he CRYs,
BEGS and PLEADS
"MISTRESS
PLEASE LET ME
CUM NEXT
TIME?" while
I'm locking
his eternally
denied
manhood
away,

with a smile
on my face
KNOWING he'll
do WHATEVER I
say and he'll
be TOTALLY
obedient to me
in EVERY way!
WON'T you
my Dear?

OH GOD YES
MISTRESS FAYE!

Ooooooh
YES!

And that
makes ME
very happy!
