

YES, this really DID happen

it did TRULY occur!

And we feel that the story

would be best told by her

A woman with long blonde hair, wearing a white bathrobe, is sitting on a light-colored sofa. She is looking down at a smartphone in her right hand while holding a glass of red wine in her left hand. In front of her is a wooden tray containing a plate of golden-brown pastries, a pink napkin, a white decorative object, and a small white vase with a single white rose. The background features a brick wall and a wooden bookshelf with books and a small potted plant.

He wanted to be
