

Your submission to her
to her friends she won't hide
and she may make you swallow
a bit MORE than your pride

You can BEG
you can
PLEAD with
all of your
might,

but we're GOING
to this Fem Dom
party tonight!

And every Saturday
night you will BE
here with me,

showing all of my
Girlfriends how good
YOU are for ME!

And believe it or not,
you'll start looking
FORWARD to the party,

like my
friend
Sharon's
slave,

a GOOD
slave,

"Named Marty"

"She made me
stand up

and she put
the key in
her hand,

before setting
me free

and saying

Fuck
Susan's
HAND!

And I sobbed
out "Yes
Mistress!"

as I stared
at the
walls,

and then I
did what
she SAID to

while SHE
held my
balls!

Then after
fifteen LONG
minutes

of
providing
them MIRTH,

my Mistress
said STERNLY,

SLAVE!
Give her
ONE
squirt!

Then I told her
"YES MISTRESS!"
as I meekly
obeyed,

and after
her ONE
squirt

she put me
SAFELY

AWAY

so I could give
her ANOTHER
squirt

NEXT
Saturday!"

"Now I go to the
party every
Saturday night

with an attitude
she describes

as optimistic
and bright

hoping she'll
finally let me

FINISH coming
tonight! "

YES!
The end of his
suffering just
MAY come
tonight

after giving just
ONE squirt for
twelve Saturday
nights!

The rumor is Sharon
is going to say "YES"

and let him FINISH
coming if he
licks up

and
SWALLOWS
his mess!

And all the
Girls are
wondering

if he'll
swallow
his
PRIDE,

and that
includes
ME,

so let's
get
INSIDE!

"YES
MISTRESS!"
