

I learned something from serving my
own strict Wife/Mistress which I
feel I should tell

sometimes my being her naked slave
made her hornier than Hell

and oh my God, for BOTH of us,
it felt REALLY swell!

A woman with blonde, wavy hair is sitting on a yellow tufted chair. She is wearing a black halter-neck top and a thin gold necklace. Her right hand is resting on her head, and her left hand is resting on her lap, wearing a ring. The background is a bright, slightly blurred indoor setting.

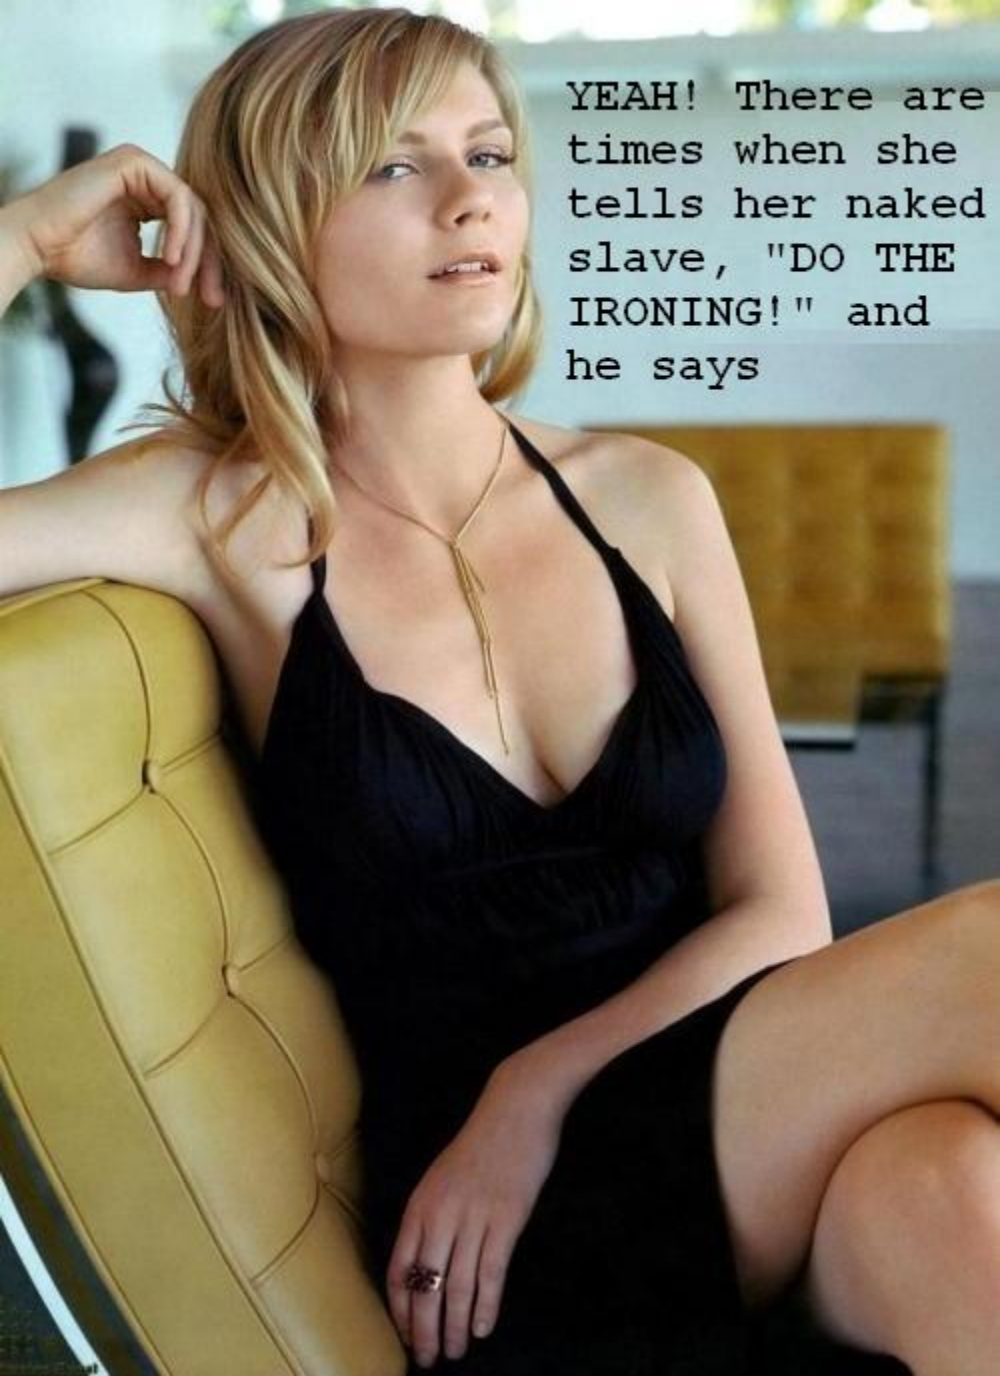

Here's a short
but SWEET
story which
I'm sure you
know sometimes
is TRUE,

A woman with blonde hair is sitting on a yellow tufted chair. She is wearing a black halter top and a necklace. She is looking off to the side with a slight smile. Her right hand is resting on her head, and her left hand is resting on her lap, wearing a ring.

when as her naked
slave you serve

YOUR Mistress
doing ALL of
that housework
and cleaning

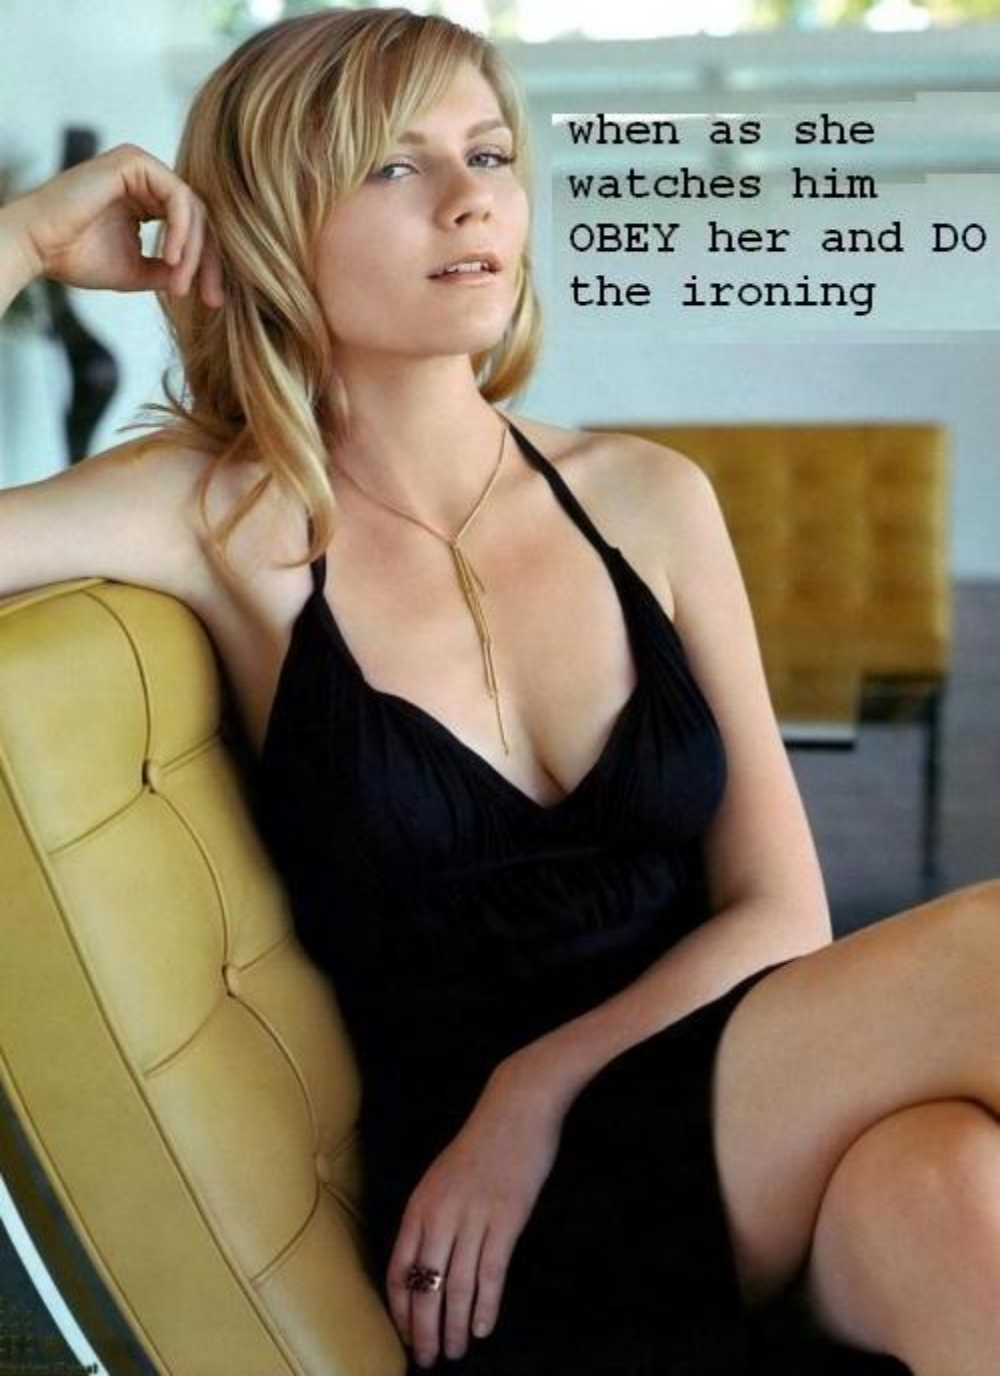

"She Orders You To!"

YEAH! There are times when she tells her naked slave, "DO THE IRONING!" and he says

YES MISTRESS!

when as she
watches him
OBEY her and DO
the ironing

it excites her
SO much that
she HAS
to do
THIS!

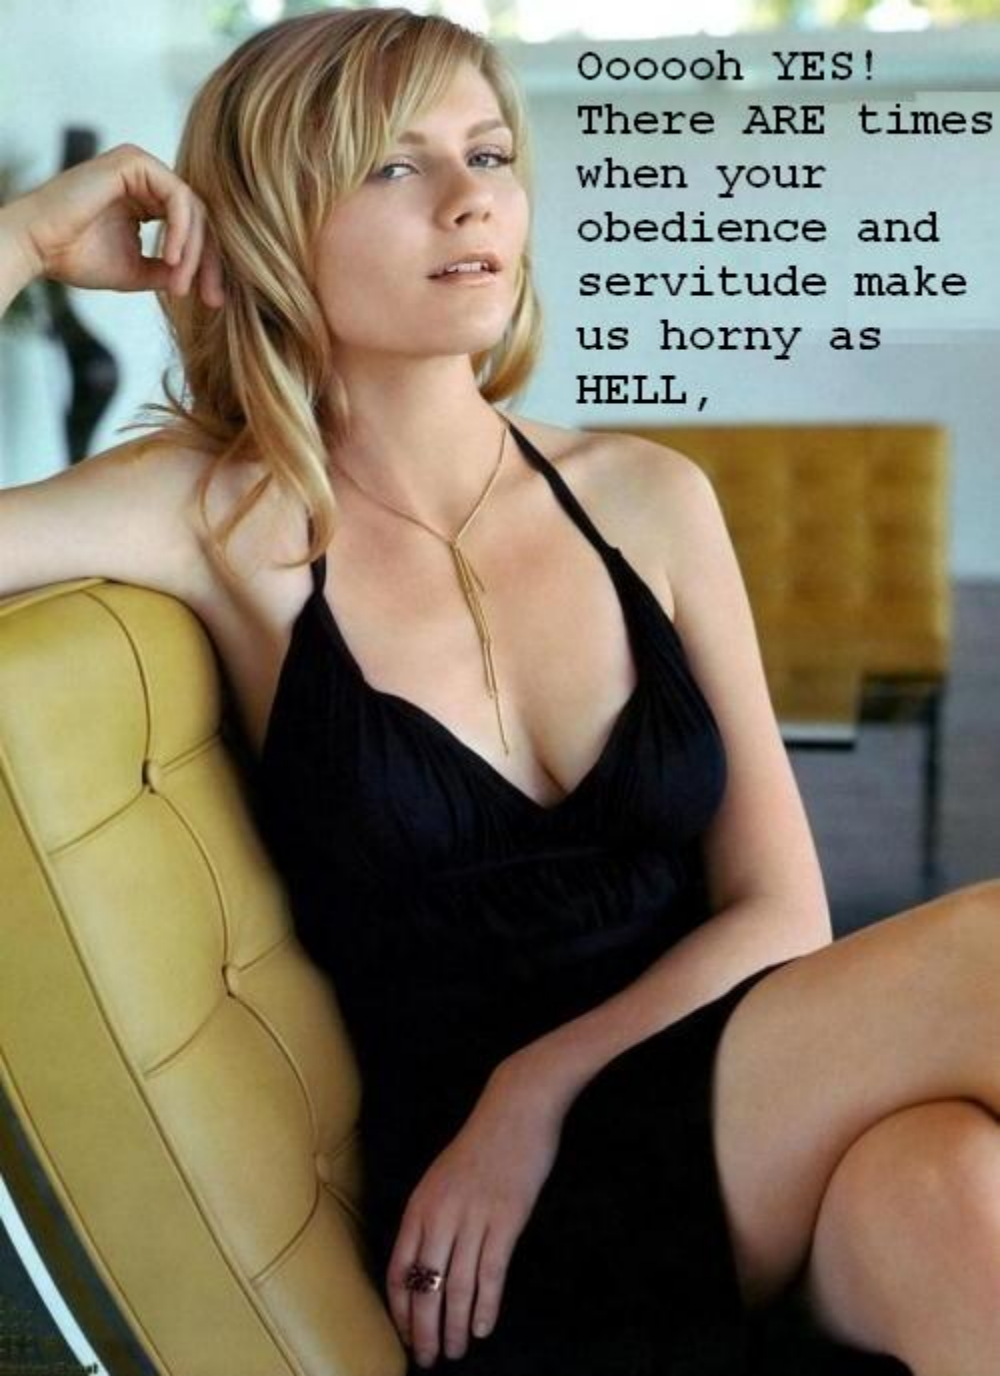

A woman with long, wavy blonde hair is sitting on a yellow tufted chair. She is wearing a black halter-neck top and a thin gold necklace. Her right hand is resting on her head, and her left hand is resting on her lap, wearing a ring. The background is a blurred indoor setting.

Oooooh YES!
There ARE times
when your
obedience and
servitude make
us horny as
HELL,

so finish
your dusting
and get your
tongue BUSY
between my
legs slave!

YES
MISTRESS
MICHELLE!
