

Train your male is what you do  
Make him be of use to you

Keep him naked on his knees  
Taught to do just what you please

Show him how he should behave  
And you'll have a devoted slave

A slave to serve your every whim  
And if he won't, just punish him

Forbid his coming every day  
He'll be a better slave that way

Once a week is quite enough  
It makes him want to do more stuff

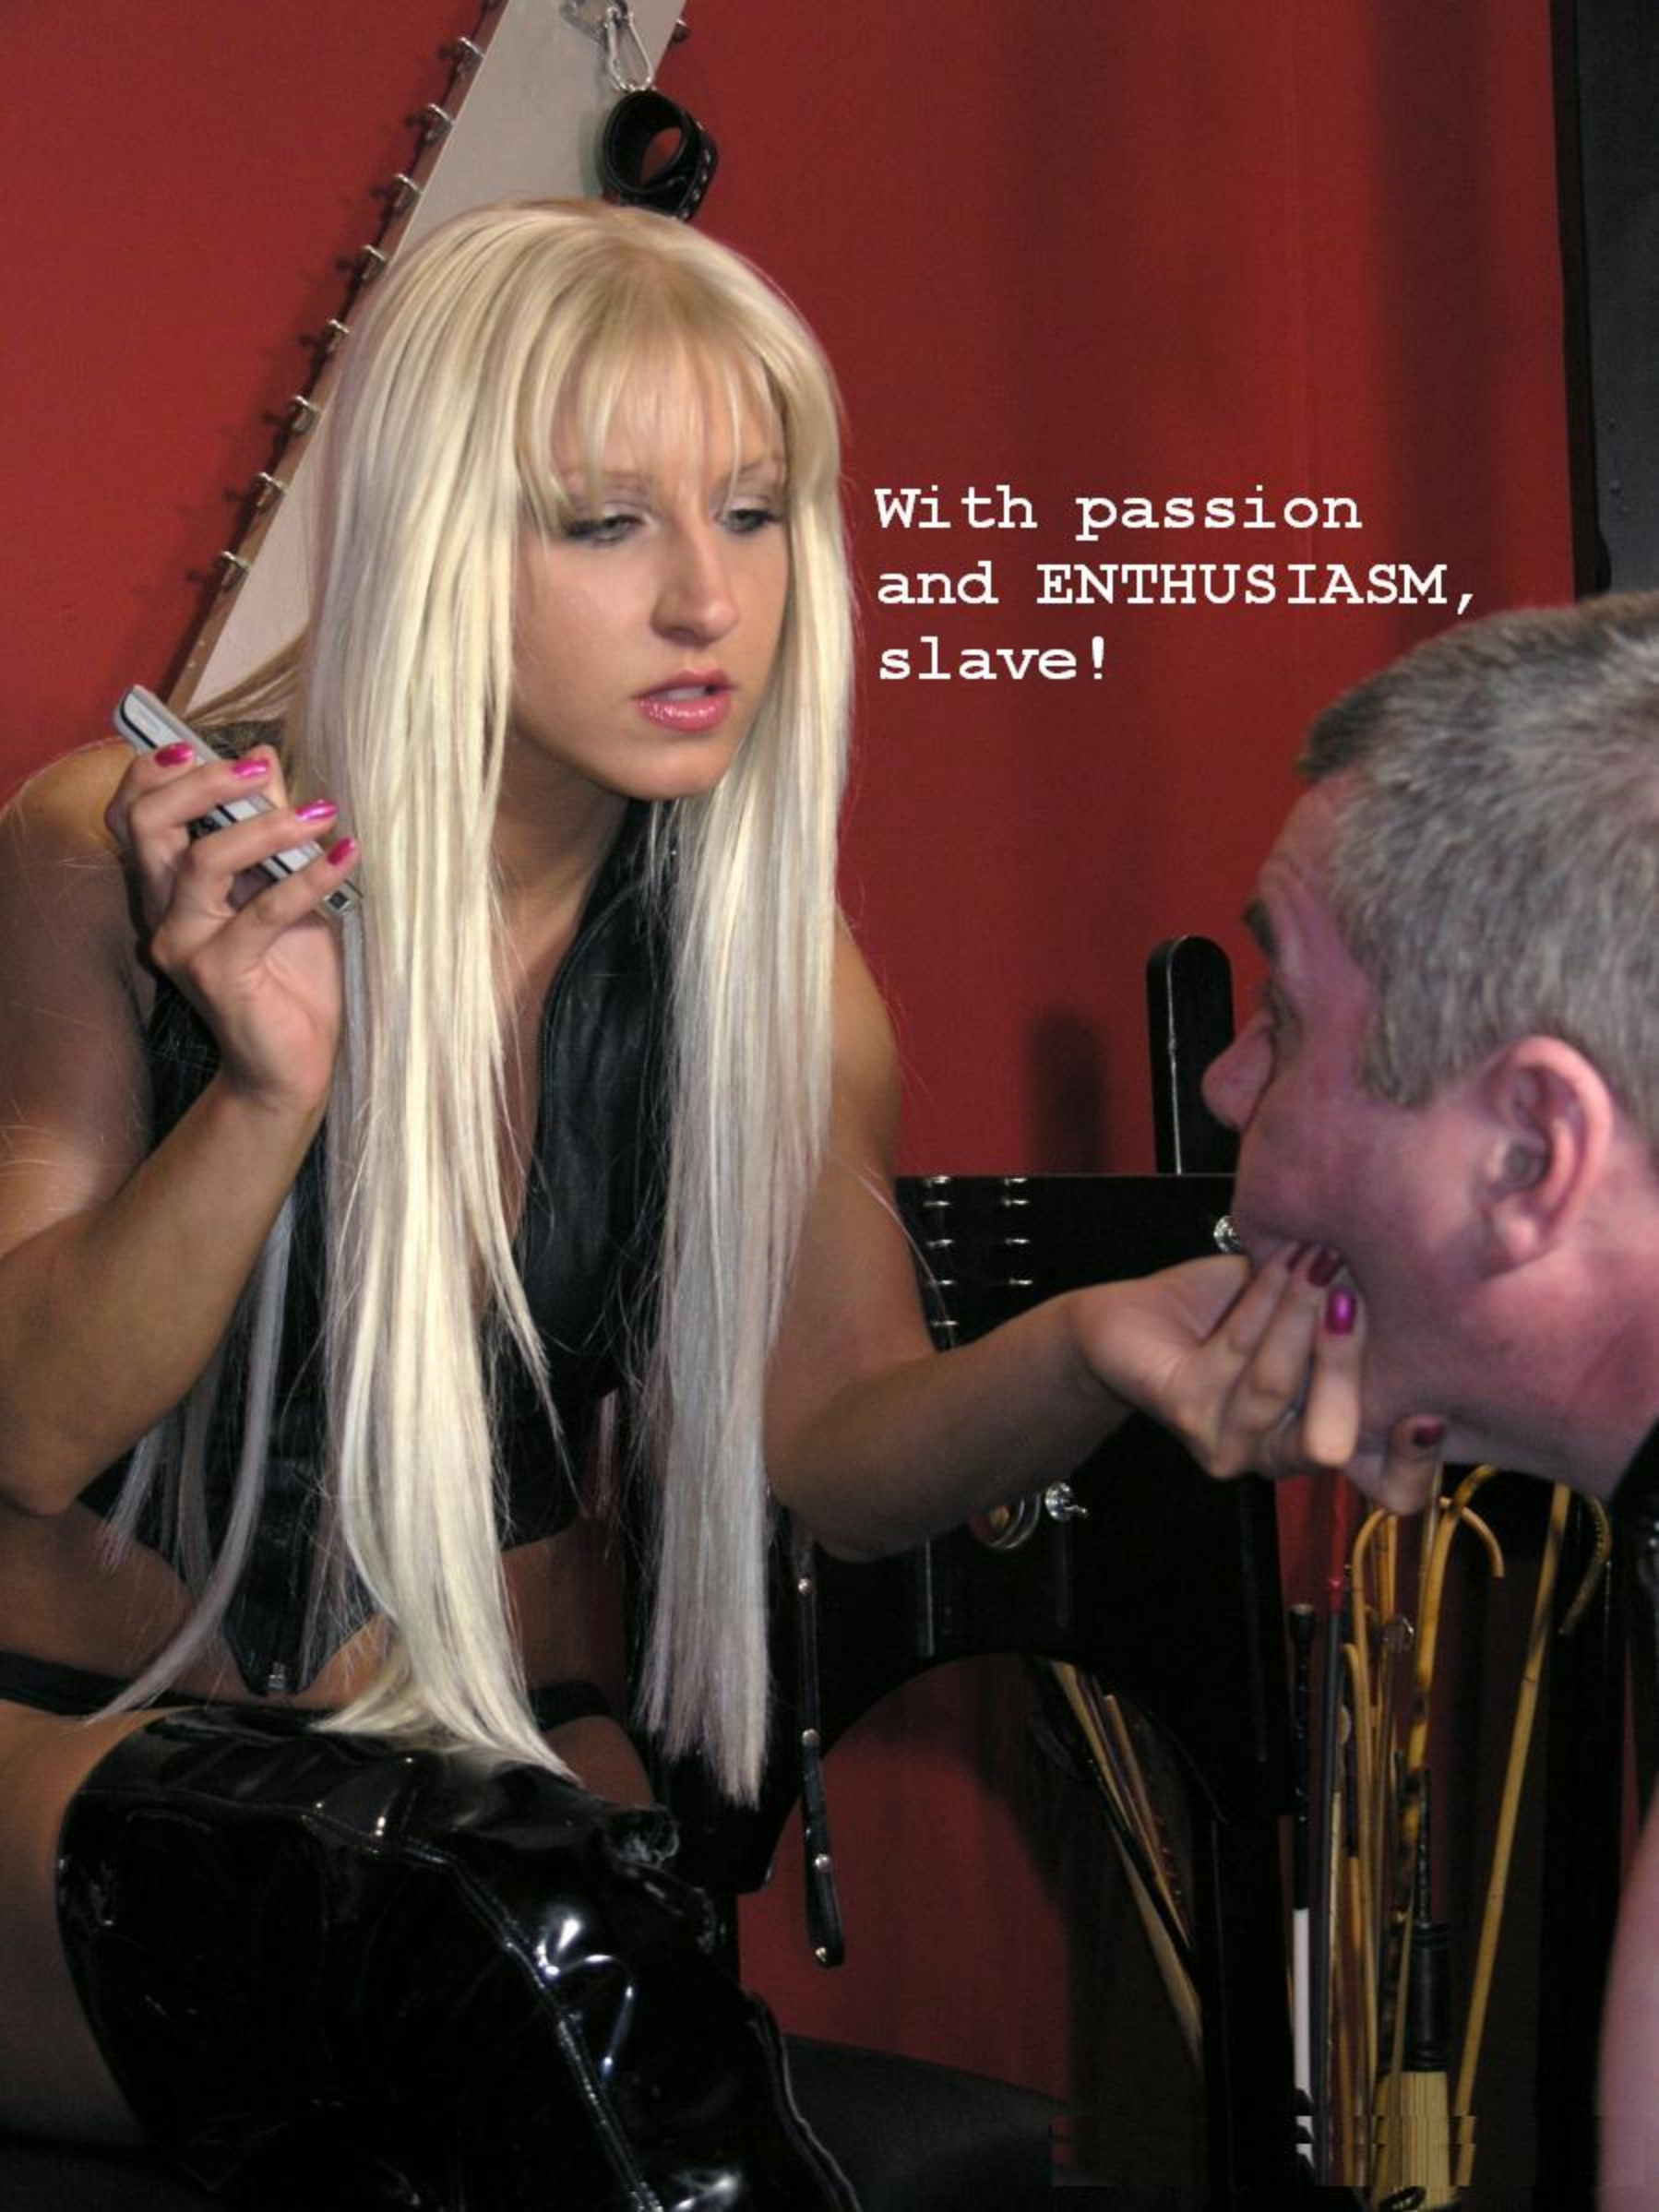

To please the Mistress whom he serves  
who let's him come only if he deserves

And if he DOESN'T serve you well  
When he begs to come say Go to Hell!

"How may  
I serve you,  
Mistress?"
