

There's no feeling like it
when it truly occurs
than knowing without doubt
that you WANT to be hers

slave, I think
you'll agree
with me when
I say

that THIS
is the way

"A Man WANTS To Obey!"

You better NOT come!

"she very
STERNLY
tells me,"

"every night
when my
Mistress"

"gives "Come
Training"
to me!"

"And she does
THIS for a
LONG time,"

"oh no SHE
doesn't rush,"

"and in a VERY
short time"

"my brain
becomes
MUSH! "

"And THAT'S
when it
happens,"

"that's WHEN
it occurs,"

"that we BOTH
know that
I truly"

"TRULY"

"am HERS! "

And though it's
pure torture for
YOU in the WORST
fucking way

it makes your
Mistress SO happy
when you OBEY
her THAT way!

And you WANT to
obey her THAT way
and be under her
TOTAL control,

because it
fulfills a NEED
that you SCREAM
for down DEEP
in your soul!

DOESN'T it?
