

Sometimes to a submissive man HELL
can truly be HEAVEN

and he can't help it but cum
before WHAP number eleven!

This is the
story of a
NEW Mistress,
her name is
Michelle,

who paddled
her newly
submissive
husband and
learned very
QUICKLY it
wasn't HIS

"Idea Of Hell!"

Once upon a
time when my
submissive
husband
first became
my SLAVE,
I had to
teach his
ass how to
BEHAVE!

So I made his
naked ass lay
face down
across my lap
and proceeded
using this
paddle to go
WHAP WHAP
WHAP !

But he had a
throbbing
ERECTION and
it wasn't
too WISE,
to PUT that
throbbing
erection
between my
THIGHS!

And as he
loudly
counted out
each whap.
"ONE TWO
THREE FOUR
FIVE SIX
SEVEN EIGHT
NINE TEN"

I learned
something I
didn't KNOW
about
submissive
men,

as he CAME
between my
thighs AGAIN
and AGAIN!

So I paddled
him really
HARD till his
ass was one
BIG red
BLISTER,
then threw
him to the
floor and
SCREAMED

LICK UP AND
SWALLOW
EVERY DROP
OF THE MESS
YOU MADE
MISTER!

And he
OBEYED me
and DID it,
and he did
it quite
WELL, and
when he was
finished he
did some
thing ELSE

that was
ALOT more
than SWELL,
when HE
screamed

I'M SORRY I CAME
WITHOUT PERMISSION
MISTRESS MICHELLE!

The End

And they
lived VERY
happily ever
after!
