

When Mistress TAKES what belongs to her
disobedience will NOT occur
and I KNOW that to be NO lie
because I used to BE this guy

When
I want
to be
SERVED

and
OBEYED

"By This Male That Is MINE,"

I tie MY
balls in
a ribbon

or a handy
piece of
twine

as TIGHT
as I CAN

so he KNOWS
that they're
MINE!

Now he'll
serve and
OBEY me

because he
KNOWS it
is I

we'll decide
when and IF

A woman with long blonde hair is shown in profile, focused on untangling a red string from a man's groin. The man's legs are spread apart, and his testicles are visible, encased in the red string. The background is dark and out of focus.

I want
MY balls
untied!

DON 'T you,
Honey?

"Yes
Mistress! "

"I'll obey you
and serve you
and do
EVERYTHING
right,

in hopes
you'll be
KIND at
the end
of the
night,

and you'll
LET me
untie them
before you
tell me
"Good Night!"

Oooooooh
YES Honey!
You WILL!
